Orr,1987 *Haunted Empire* Yukari Iwatani Kane,2014-03-18 Former Wall Street Journal technology reporter Yukari Iwatani Kane delves deep inside Apple in the two years since Steve Jobs s death revealing the tensions and challenges CEO Tim Cook and

his team face as they try to sustain Jobs's vision and keep the company moving forward. Steve Jobs's death raised one of the most pressing questions in the tech and business worlds: Could Apple stay great without its iconic leader? Many inside the company were eager to prove that Apple could be just as innovative as it had been under Jobs. Others were painfully aware of the immense challenge ahead. As its business has become more complex and global, Apple has come under intense scrutiny, much of it critical. Maintaining market leadership has become crucial as it tries to conquer new frontiers and satisfy the public's insatiable appetite for insanely great products. Based on over two hundred interviews with current and former executives, business partners, Apple watchers, and others, *Haunted Empire* is an illuminating portrait of Apple today that offers clues to its future. With nuanced insights and colorful details that only a seasoned journalist could glean, Kane goes beyond the myths and headlines. She explores Tim Cook's leadership and its impact on Jobs's loyal lieutenants, new product development, and Apple's relationships with Wall Street, the government, tech rivals, suppliers, the media, and consumers. Hard hitting yet fair, *Haunted Empire* reveals the perils and opportunities an iconic company faces when it loses its visionary leader.

One Simple Idea, Revised and Expanded Edition: Turn Your Dreams into a Licensing Goldmine While Letting Others Do the Work Stephen Key, 2015-10-06. With must-have updates, a new edition of the bestselling method that shows how anyone can turn their one simple idea into millions without lifting a finger. Stephen Key is an award-winning inventor who has licensed more than 20 product ideas. In 2011, he shared the secrets to his success in the bestselling book *One Simple Idea*. Since that time, many changes have occurred in the entrepreneurial world. *One Simple Idea, Revised and Expanded Edition* has been revised and updated to reflect current trends and practices in the industry. In addition to teaching readers how to turn their ideas into marketable products that companies will want to license, Key expands upon his cutting-edge product development, sales, and negotiation strategies, making note of the new opportunities and technologies available to creative people today. The book also features real-life success stories from people who have used the author's strategies.
