**The Reader's Digest** DeWitt Wallace, Lila Acheson Wallace, 1961 *New advances in dietary fibers and their role in metabolic, digestive, and immune health* Junrui Cheng, Aylin Sahin, Changling Hu, Renee Korczak, 2024-04-16 **Moore, Than a Pretty Face** Ashlee Wynters, 2018-07-30 Ella Jade Moore is young, beautiful, career-driven, and happily married. Or is she? She loves her husband. The more she thinks about it, the more she wonders if other people fake happiness too. The struggle between playing the good girl and embracing her dark side now begins to threaten Ella's adult existence. Ella has completely forgotten who she is. She must decide what she wants and whom she wants to be, and a promotion at work might help her make that decision and help her find herself again, especially when she meets her new boss. Ella has always been beautiful, catching the eye of people around her. As a true believer in karma, she must consider where does her reality start and fantasy end. Acutely aware of her actions, is she riding the wave of life or is this the calm before the storm?

**Storytelling in Marketing and Brand Communications** S M A Moin, 2024-07-12 Storytelling has redefined marketing from a brand monologue to brand consumer dialogues, conversations, and co-creation. Drawing on interdisciplinary narrative literature and the perspectives of legendary practitioners, this book reveals the art of storified brand communications and how storytelling affects our brains using consumer psychology and neuroscience insights. With theories, practice application, and several conceptual models, tools, and techniques, this book invites researchers, academics, marketing practitioners, and students to decode the art of storytelling and join the debate on how storytelling transforms the discourse of marketing and brand communications. Ancient people gathered around fires to bond and tell stories, passing wisdom from generation to generation. Likewise, we tell stories through social media platforms that transcend time and space. Moreover, digital storytelling in multiple forms and formats has transformed marketing, ushering in an era of a creative renaissance by infusing the imagination of human minds with the power of technology. In this context, the book positions brand storytelling as an artistic science evolving in the content creators' playground that fosters brand consumer

conversation and co creation Although the future of storytelling is mysterious the author argues that human minds will continue to dominate machines creating marketing magic at the intersection of narrative art and technological science With a balance of theories and practice including conceptual models tools and techniques this book offers valuable insights allowing researchers academics as well as astute marketing practitioners and students to follow how the art of storytelling empowered by science and technology is transforming the discourse of brand communications in the imagination age
