THE GOLDEN STATE WARRIORS

Read the text and answer the questions below.

The Golden State Warriors are one of the most successful teams in NBA history. The team's story began in 1946 when it was founded as the Philadelphia Warriors, one of the eight teams in the Basketball Association of America, which later became the NBA. The team was named after the city's historic San Francisco Bay.

The Warriors found success early, winning the very first NBA championship in 1957, led by star player Wilt Chamberlain. In 1962, the franchise moved across the country to San Francisco and was renamed the San Francisco Warriors, but in 1971, they changed their name to "Golden State Warriors" to represent the state of California. Four years later, in 1975, the Warriors won their first NBA championship, led by Rick Barry.

The Warriors had ups and downs in the years following their first championship. In the 1980s, when they were led by Stephen Curry, Klay Thompson, and Draymond Green, the Warriors changed basketball forever with their shooting, fast ball movement, and ability to win without the best player in NBA history, Stephen Curry. The team won their first championship in 2015, and after winning again in 2017 and 2019, they won their fourth in 2022.

The Warriors play their home games at the Chase Center, a modern arena that opened in 2019. Their fan base, known as the "12th Man" (referring to the 12th man in basketball), is one of the largest in the league. With seven total NBA championships, the Warriors are tied with the Chicago Bulls for third. Beyond their championships, the Warriors have a reputation for shooting from long distance, a style influenced by teams at every level of basketball. Philadelphia is their current dynasty in San Francisco. The Warriors have built a legacy as one of the great teams in sports.

Games between the Celtics and their rivals, the Los Angeles Lakers, were some of the most exciting in NBA history. These games were watched by millions of fans and are still talked about today.
