## **Singling Out The Couples:**

**Singled Out** Bella DePaulo, Ph.D., 2007-10-30 People who are single are changing the face of America Did you know that More than 40 percent of the nation s adults over 87 million people are divorced widowed or have always been single There are more households comprised of single people living alone than of married parents and their children Americans now spend more of their adult years single than married Many of today s single people have engaging jobs homes that they own and a network of friends This is not the 1950s singles can have sex without marrying and they can raise smart successful and happy children It should be a great time to be single Yet too often single people are still asked to defend their single status by an onslaught of judgmental peers and fretful relatives Prominent people in politics the popular press and the intelligentsia have all taken turns peddling myths about marriage and singlehood Marry they promise and you will live a long happy and healthy life and you will never be lonely again Drawing from decades of scientific research and stacks of stories from the front lines of singlehood Bella DePaulo debunks the myths of singledom and shows that just about everything you ve heard about the benefits of getting married and the perils of staying single are grossly exaggerated or just plain wrong Although singles are singled out for unfair treatment by the workplace the marketplace and the federal tax structure they are not simply victims of this singlism Single people really are living happily ever after Filled with bracing bursts of truth and dazzling dashes of humor Singled Out is a spirited and provocative read for the single the married and everyone in between You will never think about singlehood or marriage the same way again Singled Out debunks the Ten Myths of Singlehood including Myth 1 The Wonder of Couples Marrieds know best Myth 3 The Dark Aura of Singlehood You are miserable and lonely and your life is tragic Myth 5 Attention Single Women Your work won t love you back and your eggs will dry up Also you don t get any and you re promiscuous Myth 6 Attention Single Men You are horny slovenly and irresponsible and you are the scary criminals Or you are sexy fastidious frivolous and gay Myth 7 Attention Single Parents Your kids are doomed Myth 9 Poor Soul You will grow old alone and you will die in a room by yourself where no one will find you for weeks Myth 10 Family Values Let s give all of the perks benefits gifts and cash to couples and call it family values With elegant analysis wonderfully detailed examples and clear and witty prose DePaulo lays out the many often subtle denigrations and discriminations faced by single adults in the U S She addresses too the resilience of single women and men in the face of such singlism A must read for all single adults their friends and families as well as social scientists and policy advocates E Kay Trimberger author of *The New Single Woman* Masque of the Three Loves James George Jennings, 1902

### **Singling Out The Couples Introduction**

In today's digital age, the availability of Singling Out The Couples books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Singling Out The Couples books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Singling Out The Couples books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Singling Out The Couples versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Singling Out The Couples books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Singling Out The Couples books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Singling Out The Couples books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Singling Out The Couples books and manuals for download have transformed the way we access

information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Singling Out The Couples books and manuals for download and embark on your journey of knowledge?
