Shaping Wood Lonnie Bird, 2001-10-15 Shape is critical to the ultimate success or failure of a piece of furniture. Knowing this, custom furniture maker Lonnie Bird has taken the complex subject of shaping and in this book made it accessible to every woodworker. Bird guides the reader toward first visualizing then drawing a shape and then choosing the appropriate tool for creating it. Shaping techniques of all kinds are covered here from the simplest ones to more complex bending and carving. This comprehensive step by step pictorial reference covers every practical method for milling, cutting, carving, turning, and bending shapes. Organized for quick access, this book illustrates the techniques in over 1 000 clear photos and drawings. All the essential information is here from milling stock to turning or carving complex period details. Many alternative ways to achieve the same results are included, allowing woodworkers to choose the one that works best for them. An indispensable reference for every woodworker, whether beginner or pro.
