*The Feathered World* ,1922    **Abbott's Cyclopedic Digest** Austin Abbott,1919    **United States of America V. Shaffer** ,1960    *The Dignity of Commerce* Nathan B. Oman,2017-01-19 Why should the law care about enforcing contracts We tend to think of a contract as the legal embodiment of a moral obligation to keep a promise When two parties enter into a transaction they are obligated as moral beings to play out the transaction in the way that both parties expect But this overlooks a broader understanding of the moral possibilities of the market Just as Shakespeare's Shylock can stand on his contract with Antonio not because Antonio is bound by honor but because the enforcement of contracts is seen as important to maintaining a kind of social arrangement today's contracts serve a fundamental role in the functioning of society With *The Dignity of Commerce* Nathan B. Oman argues persuasively that well functioning markets are morally desirable in and of themselves and thus a fit object of protection through contract law Markets Oman shows are about more than simple economic efficiency To do business with others we must demonstrate understanding of and satisfy their needs This ability to see the world from another's point of view inculcates key virtues that support a liberal society Markets also provide a context in which people can peacefully cooperate in the absence of political religious or ideological agreement Finally the material prosperity generated by commerce has an ameliorative effect on a host of social ills from racial discrimination to environmental destruction The first book to place the moral status of the market at the center of the justification for contract law *The Dignity of Commerce* is sure to elicit serious discussion about this central area of legal studies    **Abbott's Digest of All the New York Reports** ... ,1919    *Baseball Meets the Law* Ed Edmonds, Frank G. Houdek,2017-03-04 Baseball and law have intersected since the primordial days In 1791 a Pittsfield Massachusetts ordinance prohibited ball playing near the town's meeting house Ball games on Sundays were barred by a Pennsylvania statute in 1794 In 2015 a federal court held that baseball's exemption from antitrust laws applied to franchise relocations Another court overturned the conviction of Barry Bonds for obstruction of justice A third denied a request by rooftop entrepreneurs to enjoin the construction of a massive video screen at Wrigley Field This exhaustive chronology traces the effects the law has had on the national pastime both pro and con on and off the field from the use of copyright to protect not only equipment but also *Take Me Out to the Ball Game* to frequent litigation between players and owners over contracts and the reserve clause The stories of lawyers like Kenesaw Mountain Landis and Branch Rickey are entertainingly instructive    India Rubber World and Electrical Trades Review John Robertson Dunlap, Henry Clemens Pearson, 1923    *Electrical World* ,1909    Digest of the Lawyers Reports Annotated, New Series, Volumes 1-24 ,1910    **Abbott's Digest of All the New York Reports** Austin Abbott,1919    **Monthly Bulletin.
