[Get on the Job and Organize](#) Jaz Brisack,2025-04-29 For fans of Fight Like Hell and A History of America in Ten Strikes the leader of the Starbucks and Tesla union movements shares stories from the front lines to help us organize our own workplaces Get on the Job and Organize is a compelling inspirational narrative of the Starbucks and Tesla unionization efforts telling the broader story of the new nationwide labor movement unfolding in our era of political and social unrest As one of the exciting new faces of the American Labor Movement Jaz Brisack argues that while workers often organize when

their place of work is toxic it's equally important to organize when you love your job. With an accessible voice and profound insight, Brisack puts everything into the context of America's long tradition of labor organizing and shows us how we too can organize our workplaces from how to educate yourself and your colleagues to what backlash can be expected and how to fight it to what victory looks like even if the union doesn't necessarily win. **Design Professionals** Shari Davies, 2006

Kinn's Medical Assisting Fundamentals: Administrative and Clinical Competencies with Anatomy & Physiology

- E-Book Brigitte Niedzwiecki, 2026-02-06 Master the clinical and administrative competencies you need to succeed as a medical assistant. Kinn's Medical Assisting Fundamentals 3rd Edition covers the administrative and clinical knowledge skills and procedures that are essential to patient care. A reader friendly approach and focus on foundational content including medical terminology, anatomy and physiology, basic math calculations and soft skills give you a solid understanding of the key skills and procedures at the heart of medical assisting practice. An applied learning approach organizes content around realistic case scenarios. This edition addresses all revised CAAHEP ABHES competencies including intravenous procedures, catheterization and limited scope radiography to address competencies approved in many states. Kinn's Medical Assisting Fundamentals offers an all in one solution with its expanded Evolve companion website that provides additional practice and reinforcement of key concepts. This practical text will prepare you to launch a successful medical assisting career. Easy to understand writing style is appropriate for all levels of learners in all types of medical assisting programs. Emphasis on foundational content includes in depth coverage of anatomy and physiology, medical terminology, basic math calculations and job readiness. Illustrated step by step procedure boxes demonstrate how to perform and document key administrative and clinical skills. Competency aligned content also supports medical assisting certification test plans to help you prepare for board examinations. Real world scenario in each chapter presents a situation for you to follow as you read through the material helping you understand and apply concepts as they are presented. Learning features include key terms and definitions, Being Professional boxes, study tips, critical thinking exercises and review and summary sections with a continual focus on developing the soft skills that employers seek when hiring. Evolve companion website includes skills videos, chapter quizzes, five practice certification exams and a portfolio builder. NEW Comprehensive coverage is fully aligned to revised CAAHEP Competencies for Medical Assisting. NEW Content includes lab procedures such as stool collection for Cologuard and CLIA waived test procedures commonly used in the ambulatory care environment. REVISED and UPDATED Medical laboratory chapters and COVID 19 information reflect current best practices. NEW Additional administrative procedures address the latest CAAHEP competencies. NEW Expanded Evolve companion website enhances learning with vocabulary and terminology review, chapter review quizzes, review of concepts, questions and case scenarios. **101 Best Resumes to Sell Yourself** Jay A.
