**Six Points of Light** Kalyann Bayron, 2016-01-13 St Catherine s is a place for misfits for the forgotten it is also the only place fifteen year old James Cook has ever known Abandoned on the front steps as an infant James is raised by Sister Maddie who loves him like the mother he never knew James possesses a genius level intellect and a kind heart but his constant state of ill health has meant that he has never had an invitation to leave the orphanage and join a family One evening a young boy is delivered to St Catherine s in the arms of his distraught mother In her dying moments she calls out to her son the words that will set James and the young boy on a collision course with destiny Never grow up Peter As James and Peter forge a seemingly unbreakable bond James learns that his new friend is not who he appears to be Peter is manipulative mischievous and dangerous As it turns out Peter is also harboring a secret whose repercussions will echo through time and pierce the veil that separates reality from make believe Before he was Captain Hook he was simply James and as it turns out he was not such a dastardly villain after all Join some of the most beloved characters in literature as their roots are laid bare and the truth of their humble beginnings is revealed *History of the Sixteenth, the Queen's, Light Dragoons (lancers), 1959 to 1912* Henry Graham, 1912 History of American Steam Navigation John Harrison Morrison, 1908 A History of the Menhaden George Brown Goode, 1880 The History of the Aberdeenshire Shorthorn Isabella M.
