Emotional Tax Conrad Riker, 101-01-01 When Her Mood Becomes Your Sentence Have you ever been punished for something you didn't do just because she was on her cycle? Have you felt like a walking emotional piñata taking hits for feelings you didn't cause? Have you watched real justice collapse while PMS is treated like a legal immunity pass? This book isn't about fairness. It's about survival. Men are no longer people; they're emotional tax zones. Women don't resolve conflict; they outsource emotional labor then punish men for the bill. And when rage hits, PMS isn't an excuse; it's a get-out-of-jail-free card in relationships, courts, and society. Why men are biologically wired to lead and why suppressing that destroys relationships. The lie of toxic masculinity: a trap designed so men lose whether they act strong or surrender. How emotional dependency has turned women into entitled reactors, not partners. Why men pay an invisible tax: time, money, sanity, just for existing emotionally. The evolutionary roots of female mood swings and why men were never meant to fix them. How modern law and culture reward female emotional outbursts, not accountability. Why equality is a biological impossibility and pretending it exists harms everyone. What happens when emotion replaces reason and men become disposable buffers. If you
