### **Foldable Phone Goodreads Choice This Week:**

*Break The Loop That Keeps You Stuck: How To Reset Your Life Trajectory* Sybex Books, 2025-06-22 You're not lazy. You're not broken. You're just caught in a loop repeating the same thoughts, habits, and choices that quietly keep your life exactly where it is. *Break The Loop That Keeps You Stuck* is your breakthrough guide to escaping that invisible cycle and stepping into a future you actually want. It's not about burning everything down and starting over; it's about becoming conscious of what's been on autopilot for far too long. Inside this book, you'll discover how your daily actions are shaped by unspoken fears, inherited stories, and outdated survival patterns. You'll learn how to pause the loop, identify the true root of your stagnation, and reprogram your identity from the inside out. Whether you feel stuck in your career, your habits, or your self-worth, this book offers practical tools and emotional clarity to help you interrupt the pattern and reset your trajectory. You'll learn how to create micro-shifts that lead to massive change, rewire your inner dialogue, and build momentum through aligned, imperfect action. Because your future isn't determined by how long you've been stuck, it's determined by how willing you are to shift today. You don't need to wait for a breakdown. You don't need another burnout wake-up call. You just need to stop sleepwalking through your potential and start designing your next chapter with intention. This is how you stop circling. This is how you finally move forward.
