### **Goodreads Choice Guide Setup:**

Teaching Social Media Liz Kirchhoff, 2014-08-26 Librarians who want to begin expand or improve their programs on teaching social media to adults and teens will find this guide invaluable. Sharing social media expertise with library clientele is a natural way for libraries to support their communities and increase their relevance. This book provides a roadmap for librarians who wish to offer this service but need to brush up on their own social media skills or learn how to cover the topics in a classroom situation. Although there are many books on social media, this volume is unique because it presents complete teaching scripts that can be adapted for various classroom situations along with general guidelines and tips. You'll find general advice on social media as well as suggestions for getting support for the program, creating a syllabus tailored to community needs, and planning class format and logistics. Entire chapters cover Twitter, Facebook, LinkedIn, Foursquare, Pinterest, Yelp, and Google, explaining how these sites work and how to use them to your advantage, as well as some of the privacy and safety concerns surrounding them and how they are trending. Class variations such as Twitter for Business and How to Plan Your Trip Online are also discussed, as are other classes to consider, for example, Tumblr and Instagram, and how to develop them.

**Young Adult Literature in Action** Rose Brock, 2019-06-14 Taking a genre approach, this overview of young adult literature shows new librarians and library science students the criteria to use for selecting quality books, including recommended titles. This third edition of *Young Adult Literature in Action* draws on the success of the previous two editions, authored by Rosemary Chance, updating and expanding on them to meet the needs of today's librarians and library science students. It includes a new focus on diverse books, LGBTQ selections, the role of book formats, and the relevance of librarians serving teen populations, and is an ideal resource for teaching young adult literature courses. Organized by major genre divisions, this easy-to-use book includes new information on timely topics such as audio and e-books, accessible books, and graphic novels. Each chapter includes revised and updated information on collaborative activities, featured books, special topics, and programs, selected awards and celebrations, historical connections, recommended resources, issues for discussion, author comments, and assignment suggestions. Further updates include citations of exemplary young adult books and award winners, references, websites, and a bibliography.

**Contemporary Publishing and the Culture of Books** Alison Baverstock, Richard Bradford, Madelena Gonzalez, 2020-01-16 *Contemporary Publishing and the Culture of Books* is a comprehensive resource that builds bridges between the traditional focus and methodologies of literary studies and the actualities of modern and contemporary literature, including the realities of professional writing, the conventions and practicalities of the publishing world, and its connections between literary publishing and other media. Focusing on the relationship between modern literature and the publishing industry, the volume enables students and academics to extend the text-based framework of modules on contemporary writing into detailed expositions of the culture and industry, which bring these texts into existence. It brings economic considerations into line alongside creative issues and examines how employing

marketing strategies are utilized to promote and sell books Sections cover The standard university course specifications of contemporary writing offering an extensive picture of the social economic and cultural contexts of these literary genres The impact and status of non literary writing and how this compares with certain literary genres as an index to contemporary culture and a reflection of the state of the publishing industry The practicalities and conventions of the publishing industry Contextual aspects of literary culture and the book industry visiting the broader spheres of publishing promotion bookselling and literary culture Carefully linked chapters allow readers to tie key elements of the publishing industry to the particular demands and features of contemporary literary genres and writing offering a detailed guide to the ways in which the three core areas of culture economics and pragmatics intersect in the world of publishing Further to being a valuable resource for those studying English or Creative Writing the volume is a key text for degrees in which Publishing is a component and is relevant to those aspects of Media Studies that look at interactions between the media and literature publishing

**Implementing Triple Bottom Line Sustainability into Global Supply Chains** Lydia Bals,Wendy Tate,2017-09-08

The global sustainability challenge is urgent tremendous and increasing From an ecological perspective the current worldwide resource footprint requires approximately 1.5 planets to sustain existing life and with current usage would require two planets by 2030 The social impact of ever growing resource use disproportionately affects the world's poor the 3 billion people living on less than 2.50 a day as they struggle to acquire what is needed to survive The serious ecological and social challenges we face in trying to establish global sustainable supply chains must not be underestimated yet so far research has largely ignored the social dimension in favour of the environmental and economic So how can we develop business strategies that move away from a primary economic focus and give equal weight to people planet and profit How can we create sustainable supply chains that take a true triple bottom line approach Implementing Triple Bottom Line Sustainability into Global Supply Chains features innovative research highlighting new cases approaches and concepts in how to successfully implement sustainability covering economic ecological and social dimensions into global supply chains The four parts cover the rationale for sustainable global supply chains key enablers case studies showing clear implementation steps and directions for future research and development This book is a must read for any academic researching in sustainable supply chain management procurement or business strategy and for business leaders seeking cases that will inform a critical step forward for CSR programmes

*Library Programs and Services for New Adults* Kyla Hunt,2017-10-06 Addressing the needs of new adults those ages 18-29 in the library is an important challenge This book explains the needs and wants of new adults in the public library setting and identifies their preferences in physical space programming and technology According to the Pew Research Center's 2015 Libraries at the Crossroads Report 52 percent of people between the ages of 16 and 29 visited a bookmobile or library within the past year Yet many public libraries programming and outreach skip over this demographic jumping from teen services to older adults Library Programs and Services for New Adults provides a road map for including

new adults into the family of the small public library and offers a variety of resources and programming ideas that librarians can use immediately Author Kyla Hunt a library technology and trends specialist explains why the needs of new adults are typically overlooked at public libraries defines who new adults are and explains why serving their needs is key to the success of today's public libraries Readers will come away with an in depth understanding of the mindset and needs of patrons who are 18 to 29 years old and be able to cater to their preferences as they pertain to physical space programming technology and marketing
