**The Return Trip** Maya Golden,2023-11-14 At age 30 Maya Golden was living a charmed life She was an award winning sports reporter a loyal wife and a new mom Privately she was battling addiction perfectionism dissociation disorders and rage due to sexual abuse endured at the hands of her cousin and many other predators But Maya wants to change So on a family road trip back to her Texas hometown she is ready to put an end to the secrets that threaten her marriage and her career Three separate moments of divine intervention ultimately saved Maya s life From a suicide plan to the treatment facility to launching a non profit organization Maya s story chronicles and dissects her journey to find purpose out of the trauma

**Return of a Native** Vron Ware,2022-02-08 From a fixed point in the middle of English nowhere Vron Ware takes you through time and space to explain why transcending the urban rural divide is integral to the future of the planet Rural England is a mythic space a complex canvas on which people from many different backgrounds project all kinds of fantasies prejudices desires and fears This book seeks to challenge many of these ideas showing how the artificial divide between rural and urban works to conceal the underlying relationship between these two fundamental poles of human settlement This investigation of rurality is oriented from a fixed point in north west Hampshire marked by a signpost that points in four directions to two towns four villages and two hamlets Through stories interviews and reportage gathered over two decades the book demolishes tired notions of rural England that cast it as a separate realm of existence whether marooned in a perpetual time warp or reduced to a refuge for the retired wealthy urbanites extreme nature lovers and more recently anyone tired of waiting out the pandemic in towns and cities It poses two simple questions what does the word rural mean today What will it mean tomorrow The author is an ambivalent native held captive to the land by an umbilical cord but always on the verge of fleeing home to the city She writes from a feminist postcolonial standpoint that is alert to the slow violence of historical processes taking place over many centuries enslavement colonialism industrialisation globalisation Both argument and narrative are propelled by the urgent need to reconsider the concept of countryside in the context of the climate emergency and the patent collapse of ecosystems due to intensive farming which has poisoned the land

### **Stress**

**Management Through Ancient Wisdom and Modern Science** Umesh Sharma,2009 To craft Stress Management Through Ancient Wisdom and Modern Science Dr Umesh Sharma searched the world s spiritual and scientific literature to present us with his groundbreaking Kosha Model of Stress Management unveiling ancient spiritual wisdom concealed for ages in the Vedas and Upanishads The model takes us on a voyage of self discovery and represents the best most effective strategies for managing stress the modern killer shifting the paradigm away from its narrow western focus The koshas are layers of spiritual selves within us hurdles that come between us and realization of true and lasting happiness Peeling away these five layers brings awareness eventually enabling us to reach the innermost core our true self Dr Sharma also explains why Adi Shankaracharya was stress free why CEOs and their executives are usually so stressed out why most people are

unhappy most of the time where Osama will strike next loving laughing and learning in the family why our work is our joy symbolism of the ten Avatars of Vishnu and how they help us to attain bliss yoga for executives and daily mental diet for a stress free life This amazing book not only gives a unique recipe for personal happiness achievement and inner peace but is also a treasure of quotations and insights that combat stress and even evoke humour the best medicine
