Brooke Rickson had been working the pottery wheel and pulling clay with her great grandfather for almost as long as she could remember. Her work was famous, even though no one really knew who she was. She preferred it that way and had become a recluse since her great grandfather died. He had left her everything: Mac Harrison loved rare pottery and when he landed two tickets to the big art show, he was thrilled. He could get his prized Rickson pottery piece appraised and get to see new work at the same time. He brought his brother Darcy along for the ride. When Darcy caught Brooke's scent, he knew he'd found his mate. Unfortunately, the beautiful recluse made no bones about telling him that she was alone and liked it that way and that no man was barging in and taking over her orderly life. She was living her life just the way she wanted it and that didn't include taking orders from a man, any man. He could get that thought right out of his head. *Hanson* Kathi S. Barton, 2017-09-18

Quinn Langley knew her mother didn't have long to live. Soon it would just be her and her little sister Carmine. Nearly recuperated from her own injuries, Quinn knew the first order of business would be to find a job and get out of Danburn and Kendrick's hair. Danburn had invited his friends to his home to spend the holidays and that included his good friend Hanson McClain. Hanson's parents had run off and left the estate in a shambles and near financial ruin. It had taken Hanson months to repair the damage and he was ready for a break. Quinn had no idea that her cousin Kendrick was mated to a dragon and that she and her sister were the only humans in the house. And now the handsome stranger Hanson also a dragon had claimed that she was his mate. It was time to leave. The ever practical Quinn didn't want solutions just handed to her on a silver platter. She'd make it on her own. But in life, things don't always go as planned. Like it or not, Hanson's parents were a problem she'd be forced to deal with and she discovered her sister Carmine had abilities Quinn didn't quite understand. Thrust head first into a world of immortals, Quinn found she had a whole new set of problems. Now the first order of business would be to protect her little sister and hopefully not die in the process. *The*
