He had put up a good fight and nearly died twice that day but now he was done and he was ready to die on the battlefield with the rest of his brethren. Death would be merciful. He would finally be with his wife and children. A being clad in black had other ideas. Rembrandt was meant to help him fight his cause and to help right a wrong that his kind had brought to this world. He gifted the reluctant Rembrandt with a taste for blood and immortality and more so much more. Back to the present. Rembrandt had had enough. He was over this life 1800 years ago and now he was just sick of it. The creatures he fought the malefactors kept growing in numbers and he couldn't kill them fast enough to keep up. He had fought the battle alone all these years and he wasn't sure he even wanted to anymore. Skylar Manning was just trying to be nice. The mysterious man dressed in black was hanging around after closing again. It was the third time this week. Only this time he grabbed her arm. Her world changed forever. Suddenly she found herself hunted by shadowy figures with razor sharp teeth and into the arms of a warrior who craved her as much as she did him. **Walker** Kathi S. Barton, 2013-04-10 Caitlynne McCray works for the government but at the moment she is running for her life. Two idiots told her that they'd give her a ten minute head start in the woods before they began hunting her. Hunting her like an animal. But when the large black panther appears in front of her she knows that if the Ingram boys see him they'll hurt him. Caitlynne can't let that happen. Shot and beaten she creates a diversion so they both can escape. Walker knew the moment he was asked to find her who she was to him. A human in a group full of panthers could be bad but when his older brother Khan forbade him to be with her Walker felt as if he was torn in two. But when her past comes calling it's either help her or his family will be hurt as well. He and his family will do anything for the beautiful blue eyed woman. Especially when she saves one of their own at the risk of her own life. Corruption arms deals gone bad and assassination attempts are nothing compared to the volatile connection between the two lovers. Lynne has met her match but can she keep
