**capital:** the building where leaders of state government meet if the state house (the capital buildings are downtown Atlanta *or* Georgia *or* state *house*)

**executives:** the head of the state who's main job is to carry out state laws (the *governor* of Georgia or *Peterson Davis*)

**Alma Zeller:** All 3 branches of the state government work together the same like a team. Each state has its own constitution, which is a plan for the state's government.

There are two parts of Georgia's General Assembly: the Senate and the House of Representatives.

**Alma Zeller:** One responsibility of state government is to provide services to citizens: such as, roads, schools and hospitals.

Each state is part of our nation. Our **NATIONAL** government leads the nation. State governments **cooperate** with the national government; they work together on projects **important** to the whole country.
