

INTEGRATED Math 1

Grade 9–10 | WORLD'S #1 ACADEMIC OUTLINE

Common Core
State Standards

High
School

Algebraic Expressions, Writing Equations, Solving Inequalities, Functions, Arithmetic Sequences, Systems of Equations, and more!

ALGEBRAIC EXPRESSIONS & PROPERTIES ASSE1.NQ.3

A **variable** is a symbol that is used to represent an unknown quantity. An **algebraic expression** is a mathematical expression that contains one or more variables, one or more numbers, and one or more arithmetic operations.

EX: x
 $5 - b$
 $4p + 2q + 7$
 $3x^2 + 7x - 1$

Order of Operations

The **order of operations** is a set of rules that determine which operations to perform first when evaluating a numerical expression.

1. Evaluate within grouping symbols.
2. Evaluate all powers.
3. Multiply and divide from left to right.
4. Add and subtract from left to right.

Properties of Real Numbers

For real numbers a , b , and c , the following properties are true.

Property	Expression
Commutative Property of Addition	$a + b = b + a$
Commutative Property of Multiplication	$a \cdot b = b \cdot a$
Associative Property of Addition	$a + (b + c) = (a + b) + c$
Associative Property of Multiplication	$a \cdot (b \cdot c) = (a \cdot b) \cdot c$

Distributive Property	$a \cdot (b + c) = a \cdot b + a \cdot c$
Additive Identity Property	$a + 0 = a$
Additive Inverse Property	$a + (-a) = 0$
Multiplicative Inverse Property	$a \cdot \left(\frac{1}{a}\right) = 1, a \neq 0$
Multiplicative Property of Zero	$a \cdot 0 = 0$

Parts of an Expression

A **term** is a number, variable, or the product of numbers and variables in an expression. **Like terms** are terms that have the same variables raised to the same powers. Two quantities that are being multiplied in an expression are called **factors**. The **coefficient** of a term is the numerical factor of the term. A term that consists of a number and no variables is called a **constant**.

REASONING WITH QUANTITIES NQ1.NQ.3

The units of a quantity can help you understand and solve multi-step problems.

Dimensional Analysis

Dimensional analysis is the process of using conversion factors to change from one set of units to another set of units.

EX: Jamie jogged 495 feet in 45 seconds. What was her speed in miles per hour?

Write the given information as a ratio. Then use appropriate conversion factors to change units.

$$\frac{495 \cancel{ft}}{45 \cancel{s}} \cdot \frac{1 \text{ mi}}{5280 \cancel{ft}} \cdot \frac{1 \text{ hr}}{3600 \cancel{s}} = \frac{1 \text{ mi}}{480 \cancel{s}} \quad \text{Convert from feet to miles.}$$

$$\frac{1 \text{ mi}}{480 \cancel{s}} \cdot \frac{60 \cancel{min}}{1 \text{ hr}} = \frac{1 \text{ mi}}{8 \text{ hr}} \quad \text{Convert from seconds to minutes.}$$

$$\frac{1 \text{ mi}}{8 \cancel{min}} \cdot \frac{60 \cancel{min}}{1 \text{ hr}} = \frac{7.5 \text{ mi}}{1 \text{ hr}} \quad \text{Convert from minutes to hours.}$$

Jamie's speed was 7.5 miles per hour.

Modeling with Appropriate Units

When modeling with quantities, it is important to choose appropriate units.

EX: Suppose a tourist buys a map of Florida while on vacation. What might the scale of the map be? What units would represent the actual distance between cities?

The map is a small-scale drawing of the state. Distances on the map will be very small compared to the actual distances between cities. A scale for the map might be 1 cm = 250 km or 2 in. = 175 mi. The distances between the actual cities would be measured in miles or kilometers.

Accuracy & Precision

Accuracy describes how close a measured value is to the actual value.

EX: Thomas is 5 feet 10.25 inches tall. A measurement of 5 feet 10 inches is more accurate than a measurement of 6 feet when describing his height.

Precision describes the exactness of a measurement and is dependent on the unit of measure. The **precision unit** is the smallest unit on the tool being used to measure. As the units of measurement get smaller, the measurement gets more precise.

EX: A ruler that measures in millimeters is more precise than a ruler that measures in centimeters.

EX: For a scale that gives weight in pounds and ounces, the precision unit is ounces.

WRITING EQUATIONS ACE1.E.ACE.3

An **equation** is a number sentence that states that two quantities are equal to each other. The verbal expressions **equals**, **is**, **is equal to**, and **is the same as** indicate an equation.

Modeling with Equations

Equations can be used to model real-world situations and solve problems.

EX: Reggie's little sister is 3 years younger than him. The sum of their ages is 27 years. How old is Reggie?

- Define a variable.
- Let r represent Reggie's age.
- Translate the verbal description into an equation.

Reggie's age: r
Reggie's sister's age: $r - 3$
Sum of their ages: $r + (r - 3)$
Because the sum of their ages is 27 years, the equation $r + (r - 3) = 27$ models the situation.

You can verify that the solution to the equation is $r = 15$. So, Reggie is 15 years old. In the next section, you will learn several methods for solving equations.

SOLVING EQUATIONS A-REI.1, A-REI.2

You can use the following properties of equality to solve equations.

- **Addition Property of Equality:** If you add the same number to both sides of an equation, the two sides remain equal.
- **Subtraction Property of Equality:** If you subtract the same number from both sides of an equation, the two sides remain equal.
- **Multiplication Property of Equality:** If you multiply both sides of an equation by the same number, the two sides remain equal.
- **Division Property of Equality:** If you divide both sides of an equation by the same nonzero number, the two sides remain equal.

Solving Multi-step Equations

Equations that have multiple operations and more complicated expressions are called **multi-step equations**. To solve these types of equations, simplify both sides as much as you can and use the properties you have learned to undo the operations.

EX: A coin-operated car wash costs \$1.75 plus \$0.50 per minute of use. Shawna spent \$2.75 using the car wash. Solve the equation $1.75 + 0.5m = 2.75$ to find the number of minutes, m , that she used the car wash.

$$1.75 + 0.5m = 2.75$$

$$1.75 - 1.75 + 0.5m = 2.75 - 1.75$$

$$0.5m = 1$$

$$2(0.5m) = 2(1)$$

$$m = 2$$

Shawna used the car wash for 2 minutes.

Original equation
Subtract 1.75 from each side.
Simplify.
Multiply each side by 2.
Simplify.

Math Practice 3: Construct viable arguments and critique the reasoning of others.

Each time you apply a property of real numbers or a property of equality to transform an equation, you can justify that both sides of the equation are still equal. As you solve equations, think about which property allows you to transform it into an equivalent form.

Study Guide Workbooks Math

Thomas Griffiths

Study Guide Workbooks Math:

HSC Mathematics Revision & Exam Workbook Lyn Baker, 2004 This book has been specifically designed to help Year 12 students thoroughly revise all topics in the HSC Mathematics course and prepare for class assessments, trial HSC and HSC exams. Together with the Year 11 Preliminary Revision Exam Workbook the whole senior Mathematics course is covered. The book includes topics covering the complete HSC Mathematics course, 200 pages of practice exercises with topic tests for all chapters, cross-references to relevant pages in the HSC Mathematics study guide, topic tests for all chapters, two sample examination papers, answers to all questions.

Praxis Core Math 5733 Study Guide Updated Edition Exam Sam, 2021-06-14 Exam SAM's Praxis Core Math 5733 Study Guide Updated Edition Mathematics Workbook and Practice Test Questions Academic Skills for Educators helps you learn the methods and formulas that you need to answer all of the types of questions on the Praxis Core Math Test. The book is the up-to-date 5733 version of the first edition of our highly rated Praxis Core Math book entitled *Praxis Core Math Study Guide with Mathematics Workbook and Practice Tests Academic Skills for Educators*. Unlike other Praxis Core math study guides for sale on Amazon, our book covers the exact skills you need for the 5733 version of the Praxis Core Math Test. Why waste your time studying skills and formulas that you don't need for the test? The practice tests in our book have been designed with feedback from actual Praxis Core test takers so the questions genuinely simulate those you will see on the actual day of your test. Praxis Core Math Practice Test 1 is in study guide format with exam tips, formulas, explanations, and solutions after each question. You can refer back to the formulas and explanations in the first section of the study guide as you complete the remaining practice tests in the book. The practice tests cover the same skill areas as the actual Praxis Core Math 5733 exam so each practice test has 56 questions as follows: 20 number and quantity questions, 18 data interpretation and representation statistics and probability, and 18 algebra and geometry questions. Get a step ahead in your Praxis Core Math 5733 preparation with this great book.

Common Core Math Grade 3 Workbook Test Prep Books, 2018-10-08 Test Prep Books' Common Core Math Grade 3 Grade 3 Workbook Common Core 3rd Grade Math Workbook Practice Test Questions Developed by Test Prep Books for test takers trying to achieve a passing score on the Common Core Math Grade 3 exam. This comprehensive study guide includes Quick Overview, Test Taking Strategies, Introduction, Operations and Algebraic Thinking, Number and Operations in Base Ten, Number and Operations Fractions, Measurement and Data, Geometry. Each section of the test has a comprehensive review created by Test Prep Books that goes into detail to cover all of the content likely to cover 3rd Grade Common Core standards. The Test Prep Books Common Core Math 3rd Grade practice test questions are each followed by detailed answer explanations. If you miss a question, it's important that you are able to understand the nature of your mistake and how to avoid making it again in the future. The answer explanations will help you to learn from your mistakes and overcome them. Understanding the latest test taking strategies is essential to preparing you for what you will expect on the exam. A test taker has to not only understand

the material that is being covered on the test but also must be familiar with the strategies that are necessary to properly utilize the time provided and get through the test without making any avoidable errors Test Prep Books has drilled down the top test taking tips for you to know Anyone planning to take this exam should take advantage of the Common Core Math Grade 3 review material practice test questions and test taking strategies contained in this Test Prep Books study guide

Year 7 Mathematics Revision & Exam Workbook 2 - Extension A. S. Kalra,2002 This book is suitable for students studying Year 7 Mathematics who want to extend their abilities The book has been specifically designed to help students revise the harder topics in the Year 7 course and prepare for success in all their class tests half yearly and yearly exams In Excel Mathematics Revision Exam Workbook 2 Year 7 you will find extension topics covering the complete Year 7 course based on the new Mathematics syllabus over 100 pages of practice exercises topic tests and practice exams answers to all questions Also available is Mathematics Revision Exam Workbook 1 Year 7 Author A S Kalra *Practice Makes Perfect Basic Math Review and Workbook, Second Edition* Carolyn Wheeler,2019-01-07 This all in one study guide delivers all the review and practice you need to master math basics Whether you're starting from scratch or refreshing your math skills this accessible guide will help you develop a better understanding of math Offering concise coverage of all math basics the book is packed with clear easy to grasp review material Hundreds of practice exercises increase your grasp of math concepts and help you retain what you have learned The book features New lessons on transformations and an expanded look at fractions and decimals Concise review material that clearly explains math fundamentals Hundreds of practice exercises to build your problem solving confidence **Non-calculator Mathematics Workbook** Allyn Jones,1999 **Excel HSC Mathematics** Lyn Baker,2001 **GCSE Success AQA Maths Foundation Revision Guide** , New Math Workbook for SAT I Lawrence S. Leff,1996 A study guide covering basic arithmetic skills algebra word problems and geometry Includes practice tests Additional Science Higher Workbook Brian Arnold,Elaine Gill,Emma Poole,2006 This workbook offers accessible practice to help manage GCSE Additional Science revision and prepare for the exam efficiently The content is broken into manageable sections and advice is given to help build confidence Tips and techniques provide support throughout the revision process PSAT Math Workbook Math Prep Books,2018-10-03 Test Prep Books PSAT Math Workbook PSAT Prep 2018 2019 Mathematics Workbook 2 Practice Tests Developed by Test Prep Books for test takers trying to achieve a passing score on the PSAT exam this comprehensive study guide includes Quick Overview Test Taking Strategies Introduction Heart of Algebra Problem Solving and Data Analysis Passport to Advanced Math Additional Topics PSAT Math Practice Test 1 Answer Explanations 1 PSAT Math Practice Test 2 Answer Explanations 2 Disclaimer PSAT NMSQT R is a trademark registered by the College Board and the National Merit Scholarship Corporation which are not affiliated with and do not endorse this product Each section of the test has a comprehensive review created by Test Prep Books that goes into detail to cover all of the content likely to appear on the PSAT test The Test Prep Books PSAT math questions are each followed by

detailed answer explanations If you miss a question it's important that you are able to understand the nature of your mistake and how to avoid making it again in the future The answer explanations will help you to learn from your mistakes and overcome them Understanding the latest test taking strategies is essential to preparing you for what you will expect on the exam A test taker has to not only understand the material that is being covered on the test but also must be familiar with the strategies that are necessary to properly utilize the time provided and get through the test without making any avoidable errors Test Prep Books has drilled down the top test taking tips for you to know Anyone planning to take this exam should take advantage of the PSAT math practice test review material practice test questions and test taking strategies contained in this Test Prep Books study guide

Geometric Formulas (Speedy Study Guide) Speedy Publishing, 2014-11-26 A great assist in learning Geometry is a Formula study guide Any student will find a study guide useful Study guides should be clear and concise grouping different functions in one area For example A Geometric Formula study guide would have groups based on lines angles or polygons Each item of the group should have a basic definition and the formulas related to the specific subsections such as a right angle Study guides are a great way to quickly access important information

Study Guide Workbooks Math Introduction

In the digital age, access to information has become easier than ever before. The ability to download Study Guide Workbooks Math has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Study Guide Workbooks Math has opened up a world of possibilities. Downloading Study Guide Workbooks Math provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Study Guide Workbooks Math has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Study Guide Workbooks Math. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Study Guide Workbooks Math. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Study Guide Workbooks Math, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Study Guide Workbooks Math has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

FAQs About Study Guide Workbooks Math Books

What is a Study Guide Workbooks Math PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Study Guide Workbooks Math PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Study Guide Workbooks Math PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Study Guide Workbooks Math PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Study Guide Workbooks Math PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
