It isn't an in depth look at every single function available within the WordPress dashboard. Nor is it a guide to help you develop or modify WordPress themes. It's an easy to follow WordPress manual that will help you to get an overall understanding of how you use the various features within the WordPress Dashboard to keep your website or blog updated. The official WordPress Codex is great if you want to get really involved in developing your own WordPress theme or modifying your site with plugins but it can be a bit daunting for those users who just want a simple guide to using the Content Management side of WordPress or just need to update their site pages every so often. The Easy WP Guide will teach you how to add content to your website and keep it updated simply and easily. This version has been completely updated for use with WordPress 4.3 *Mastering WordPress* Smashing Magazine, 2011 WordPress offers a world of possibilities if you are curious enough to explore them. The most popular blog publishing platform is not limited by its default configurations. You can improve your website with the innumerable plugins, hooks and custom fields new versions are being created almost every day by the global developer community. This Smashing eBook Mastering WordPress eBook 11 is exactly about the above mentioned. We've selected only the best articles on how to use extensions for WordPress with an amazing collection of copy paste coding snippets. They explain advanced methods and techniques which go beyond front end experience and show how to customize back end experience. After reading this eBook you will be able to transform your website into whatever you want you just have to use your imagination. Make sure you add this source of knowledge to your library.
