**Successful Marriages and Families** Alan J. Hawkins, David Curtis Dollahite, Thomas W. Draper, 2013-09-06 Happy Marriages and Strong Families Kelley Brigman, Purple's Edge Media, 2012 A simple easy to read discussion by a social scientist about how core religious elements such as faith and hope love and grace parenthood of God and forgiveness and reconciliation can help people create happy marriages and strong families This book inspires hope that people can create successful marriages and shows them how to do it It contains many stories simple illustrations and activities Useful for preparing for marriage marital growth or solving marital problems It can help people make the small changes that can make a big difference in marital success Marriages and Families Constance L. Shehan, 2003 A realistic fact based survey of marriage intimacy and family life that offers many insights and addresses many misconceptions about modern families in all their variety *Intimate Relationships, Marriages, and Families* F. Philip Rice, 1999 A introductory text describing changes in intimate relationships over the life span with sections on social and psychological perspectives the nature of intimate relationships marriage and family relationships the family as a unit and conflict in marriage Discussions photos emphasize diversity *Intimate Relationships, Marriages and Families, Instructor's Manual* F. Philip Rice, 1992-10 **Marriages and Families** Karen Seccombe, Rebecca L. Warner, 2004 In this fresh more structural alternative to other texts for the marriage and family course Seccombe and Warner provide a comprehensive look at close relationships and the family in just 15 chapters Examining close relationships and families by placing them in social context the authors offer a unique emphasis on the structural and relational aspects of the family with a focus on family resilience The text weaves together a macro view social structural analysis of close relationships with the macro an individualist view The authors demonstrate the interaction of theory and methodology in family studies in Chapter 2 and blend cutting edge research and practical applications throughout Among the highlights of this first edition are the exceptionally thorough exploration of the topics of singlehood and cohabitation in Chapter 7 and the unique six chapter core 8 13 that focuses on all aspects of parenthood and the challenges and crises that families face today The authors emphasis on family resilience and how families can be strengthened is reflected in the Constructing Strong Families boxes that appear throughout the text These features encourage students to apply groundbreaking research on what makes a family strong to their own families and in the concluding chapter Looking Ahead Helping Families Flourish which examines the factors that successful families regardless of ethnicity culture or social class consistently exhibit Marriages and Families Nijole Vaicaitis Benokraitis, 1996 This textbook introduces students to the study of marriage and the family in ways to which they can easily relate Giving equal attention to people of all racial ethnic and other societal groups the author shows students that as families continue to change they have more and more choices but that those choices are also subject to often serious constraints on both the macro and micro level The author's approach encourages students to think for themselves and practical guidelines in every

chapter encourage them to go beyond thought to action to become part of the effort to resolve some of the crucial issues that confront all 21st century families
