Such A Simple Little Tale Such A Simple Little Tale:

Such a Simple Little Tale Mavis Reimer, 1992-01-01 New in paperback 2003 Here is a compilation of the best critical essays on this enduring classic. Selections focus on the many perspectives from which Anne of Green Gables is viewed. Is it children's literature or does it fit a different area of literary scholarship? Each of the articles breaks new ground in the literary criticism of Montgomery's book. Also included is a comprehensive bibliographic guide to the research and criticism of Anne from the earliest reviews to the most recent essays. Contributors: Temma R. Berg, Susan Drain, Carol Gay, Nancy Huse, Susan Jackson, Eve Kornfeld, T. D. MacLulich, Perry Nodelman, Mavis Reimer, Catherine Ross, Mary Rubio, Marilyn Solt, Gillian Thomas, Janet Weiss, Townsend and Muriel Whitaker. Nancy Drew and Company Sherrie A. Inness, 1997 This collection is the first anthology to bring together a broad range of critical essays on girls' series fiction from established scholars. Looking for Anne of Green Gables Irene Gammel, 2008-07-08 In June 1908 a red-haired orphan appeared on the streets of Boston and a modern legend was born. That little girl was Anne Shirley, better known as Anne of Green Gables, and her first appearance was in a book that has sold more than 50 million copies worldwide and been translated into more than 35 languages, including Braille. The author who created her was Lucy Maud Montgomery, a writer who revealed very little of herself and her method of crafting a story. On the centenary of its publication, Irene Gammel tells the braided story of both Anne and Maud, and in so doing shows how a literary classic was born. Montgomery's own life began in the rural Cavendish family farmhouse on Prince Edward Island, the place that became the inspiration for Green Gables. Mailmen brought the world to the farmhouse's kitchen door in the form of American mass-market periodicals, sparking the young Maud's imagination. From the vantage point of her small world, Montgomery pored over these magazines, gleaned bits of information about how to dress, how to behave, and how a proper young lady should grow. She began to write, learning how to craft marketable stories from the magazines' popular fiction. At the same time, the fashion photos inspired her visual imagination. One photo that especially intrigued her was that of a young woman named Evelyn Nesbit, the model for painters and photographers and lover of Stanford White. That photo was the spark for what became Anne Shirley, blending biography with cultural history. Looking for Anne of Green Gables is a gold mine for fans of the novels and answers a trunk load of questions: Where did Anne get the 'e' at the end of her name? How did Montgomery decide to give her red hair? How did Montgomery's courtship and marriage to Reverend Ewan MacDonald affect the story? Irene Gammel's dual biography of Anne Shirley and the woman who created her will delight the millions who have loved the red-haired orphan ever since she took her first step inside the gate of Green Gables farm in Avonlea. Windows and Words Susan-Ann Cooper, Aida Hudson, 2003 Windows and Words is a collection of seventeen essays that confirm and celebrate the artistry of Canadian Children's Literature. There are essays that survey a wealth of English language fiction from the internationally acclaimed work of Lucy Maud Montgomery, the aboriginal adolescent novel to the increasingly multi-cultural character of children's books. Others examine book illustration, visual

literacy and the creative partnership seen in the picture book and its art design With contributions by two Governor General
 s Award winning authors Janet Lunn and Tim Wynne Jones and a final commentary by Elizabeth Waterson the heart of this
 collection offers a unique perspective on the artistry of writing for children and claims a rightful place for Canadian children
