Walton, Manina Jones, 1999-05-31 Since the late 1970s a subgenre of crime fiction written by women and featuring a professional woman investigator has exploded on the popular fiction market Priscilla L Walton and Manina Jones focus on

this recent proliferation of women writers of detective fiction providing the first book length study of the historical and societal changes that fueled this popularity along with insightful and entertaining readings of the texts themselves Walton and Jones place the genre within its aesthetic social and economic contexts reading it as an index of cultural beliefs Addressing the ways that Sara Paretsky Sue Grafton Marcia Muller and others work through the conventions of the hard boiled genre made popular by writers such as Dashiell Hammett Raymond Chandler and Mickey Spillane the authors show how the male hard boiled tradition has been challenged and transformed Issues of child spousal and sexual abuse are more likely to surface in women s detective novels the authors show and female sleuths face many of the same dilemmas as those who read about them everyday problems with relationships parenting and money Detective Agency also integrates interviews with authors and publishers reader surveys publication data and analysis of internet discussion groups to present a fascinating picture of the industry of women s detective fiction Authors of these works are powerful players in the publishing system as well as agents of cultural intervention Walton and Jones claim They conclude by examining the rise of female detectives in television and film

**"I" is for Innocent** Sue Grafton, 1992-05-15 Readers of Sue Grafton s fiction know she never writes the same book twice and I Is For Innocent is no exception Her most intricately plotted novel to date it is layered in enough complexity to baffle even the cleverest among us Lonnie Kingman is in a bind He s smack in the middle of assembling a civil suit and the private investigator who was doing his pretrial legwork has just dropped dead of a heart attack In a matter of weeks the court s statute of limitations will put paid to his case Five years ago David Barney walked when a jury acquitted him of the murder of his rich wife Isabelle Now Kingman acting as attorney for the dead woman s ex husband and their child and sure that the jury made a serious mistake is trying to divest David Barney of the profits of that murder But time is running out and David Barney still swears he s innocent Patterned along the lines of a legal case I Is For Innocent is seamlessly divided into thirds one third of the novel is devoted to the prosecution one third to the defense and a final third to cross examination and rebuttal The result is a trial novel without a trial and a crime novel that resists solution right to the end When Kinsey Millhone agrees to take over Morley Shine s investigation she thinks it is a simple matter of tying up the loose ends Morley might have been careless about his health but he was an old pro at the business So it comes as a real shock when she finds his files in disarray his key informant less than credible and his witnesses denying ever having spoken with him It comes as a bigger shock when she finds that every claim David Barney has made checks out But if Barney didn t murder his wife who did It would seem the list of candidates is a long one In life Isabelle Barney had stepped on a lot of toes In I Is For Innocent Sue Grafton once again demonstrates her mastery of those telling details that reveal our most intimate and conflicted relationships As Kinsey comments on the give and take by which we humans deal with each other for better and sometimes for worse the reader is struck yet again by how acute a social observer Ms Grafton can be Frequently funny and sometimes caustic she is also surprisingly compassionate understanding how little in life is purely black and white

Except for murder Somewhere out there a killer waits to see just what Kinsey will find out Somewhere out there someone s been getting away with murder and this time it just might turn out to be Kinsey s I Is For Innocent is Sue Grafton in peak form Fast paced Funny And very very devious A Is for Alibi B Is for Burglar C Is for Corpse D Is for Deadbeat E Is for Evidence F Is for Fugitive G Is for Gumshoe H Is for Homicide I Is for Innocent J Is for Judgment K Is for Killer L is for Lawless M Is for Malice N Is for Noose O Is for Outlaw P Is for Peril Q Is for Quarry R Is for Ricochet S Is for Silence T Is for Trespass U Is for Undertow V Is for Vengeance W Is for Wasted X

**X** Sue Grafton, 2015-08-27 X is the New York Times number 1 bestseller and thrilling twenty fourth book in the Kinsey Millhone Alphabet series from Sue Grafton In hindsight I marvel at how clueless I was What I ask myself even now is whether I should have picked up the truth any faster than I did which is to say not fast enough When a glamorous red head wishes to locate the son she put up for adoption thirty two years ago it seems like an easy two hundred bucks for private investigator Kinsey Millhone But when a cop tells her she was paid with marked bills and Kinsey's client is nowhere to be found it becomes apparent this mystery woman has something to hide Riled Kinsey won't stop until she's found out who fooled her and why Meanwhile the widow of the recently murdered P I and Kinsey's old friend Pete Wolinsky needs help with her IRS audit This seemingly innocuous task takes a treacherous turn when Kinsey finds a coded list amongst her friend's files It soon leads her to an unhinged man with a catalogue of ruined lives left in his wake And despite the devastation there isn't a single

conviction to his name It seems this sociopath knows exactly how to cause chaos without leaving a trace As Kinsey delves deeper into the investigation she quickly becomes the next target of this tormentor But can Kinsey prove her case against him before she becomes the next victim      McCall's ,1991-04      **The Unabashed Librarian** ,1999      *The Armchair Detective* ,1997      **What Do I Read Next? 00 V2** Gale Group,2000-11
