Postcolonial Grief Jinah Kim, 2019-01-17 In *Postcolonial Grief* Jinah Kim explores the relationship of mourning to transpacific subjectivities aesthetics and decolonial politics since World War II Kim argues that Asian diasporic subjectivity exists in relation to afterlives because the deaths of those killed by U S imperialism and militarism in the Pacific remain unresolved and unaddressed Kim shows how primarily U S based Korean and Japanese diasporic writers artists and filmmakers negotiate the necropolitics of Asia and how their creative refusal to heal from imperial violence may generate transformative antiracist and decolonial politics She contests prevalent interpretations of melancholia by engaging with Frantz Fanon s and Hisaye Yamamoto s decolonial writings uncovering the noir genre s relationship to the U S war in Korea discussing the emergence of silenced colonial histories during the 1992 Los Angeles riots and analyzing the 1996 hostage takeover of the Japanese ambassador s home in Peru Kim highlights how the aesthetic and creative work of the Japanese and Korean diasporas offers new insights into twenty first century concerns surrounding the state s erasure of military violence and colonialism and the difficult work of remembering histories of war across the transpacific

[Gasa-Gasa Girl](#) Naomi Hirahara, 2005-03-29 From the time she was a child Mas Arai's daughter Mari was completely gasa gasa never sitting still always on the go getting into everything And Mas busy tending lawns gambling and struggling to put his Hiroshima past behind him never had much time for the family he was trying to support For years now his resentful daughter has lived a continent away in New York City and had a life he knew little about But an anxious phone call from Mari asking for his help plunges the usually obstinate Mas into a series of startling situations from maneuvering in an unfamiliar city to making nice with his tall blond son in law Lloyd to taking care of a sickly child to finding a dead body in the rubble of a former koi pond The victim was Kazzy Ouchi a half Japanese millionaire who also happened to be Mari and Lloyd's boss Stumbling onto the scene Mas sees more amiss than the detectives do but his instinct is to keep his mouth shut Only when the case threatens his daughter and her family does Mas take action patiently stubbornly tugging at the end of a tangled dangerous mystery And as he does he begins to lay bare a tragic secret on the dark side of an American dream Both a riveting mystery and a powerful story of passionate relationships across a cultural divide *Gasa Gasa Girl* is a tale told with heart and wisdom an unforgettable portrait of fathers daughters and other strangers

Emerging from the Rubble: Asian/American Writings on Disasters Yasuko Kase, Eliko Kosaka, 2025-08-12 With a focus on the transpacific and transnational relationship between North America and Asia *Emerging from the Rubble: Asian American Writings on Disasters* explores Asian Americans complex and nuanced involvement in disastrous events Included in this purview of disaster are not only the damages and threats of current ongoing climate change but also the long lasting ruining effects inflicted by imperialism neo colonialism wars and these historical components entanglement with global capitalism that have generated both spontaneous and slow and or prolonged violent effects Moreover disasters can be acknowledged as

manifestations of the Anthropocene an epoch shaped by human activity or what scholars like Jason W Moore and Donna J Haraway term the Capitalocene a paradigm where nature and capitalist society are deeply intertwined co creating an intricate web of life Asian American involvement in such a web has never been simple but convoluted some of them have experienced tremendous losses whereas others have perpetuated obfuscation of the truth and or induced violence often contingently with or without acknowledging the facts When considering Asian migrants including refugees from Southeast Asia who had little option but to seek asylum in the U S and Asian Americans who have pursued their happiness under the U S s capitalist premise of constant progress protection of human rights and freedom of choice it is important to note that Asian migrants and Asian Americans have become simultaneously active players and exploited individuals within the context of U S racial capitalism Acknowledging the impossibility of clearly differentiating natural and human made disasters scholars who contribute to this volume note the reciprocal influences between nature and civilization They examine how the entanglements of natural and human made disasters lead to the acceleration and expansion of damage This volume explores how Asian Americans connections with their ancestral origins along with their particular racial positions social classes and socio historical backgrounds in North American societies force them to experience and witness disastrous events differently from the mainstream discourse on eco crises *Encyclopedia of Asian-American Literature* Seiwoong Oh,2010-05-12

Traces American writers whose roots are in all parts of Asia including China Korea Japan Southeast Asia the Philippines the Indian subcontinent and the Middle East **Life After Manzanar** Naomi Hirahara,Heather C. Lindquist,2018-04-03 A compelling account of the lives of Japanese and Japanese Americans incarcerated during World War II instructive and moving Nippon com From the editor of the award winning *Children of Manzanar* Heather C Lindquist and Edgar Award winner Naomi Hirahara comes a nuanced account of the Resettlement the relatively unexamined period when ordinary people of Japanese ancestry having been unjustly imprisoned during World War II were finally released from custody Given twenty five dollars and a one way bus ticket to make a new life some ventured east to Denver and Chicago to start over while others returned to Southern California only to face discrimination and an alarming scarcity of housing and jobs Hirahara and Lindquist weave new and archival oral histories into an engaging narrative that illuminates the lives of former internees in the postwar era both in struggle and unlikely triumph Readers will appreciate the painstaking efforts that rebuilding required and will feel inspired by the activism that led to redress and restitution and that built a community that even now speaks out against other racist agendas Through this thoughtful story we see how the harsh realities of the incarceration experience follow real lives and how Manzanar will sway generations to come When you finish the last chapter you will demand to read more Gary Mayeda national president of the Japanese American Citizens League An engaging well written telling of how former Manzanar detainees played key roles in remembering and righting the wrong of the World War II incarceration Tom Ikeda executive director of Densho *Blood Hina* Naomi Hirahara,2013-08-26 Mas Arai s best friend Haruo is getting married and
