,1989-05-03 **The Client Retention Handbook for Digital Marketing Agencies** Josh Nelson, 2022-08-08 While there are hundreds of books focused on getting clients for your Digital Marketing Agency, nobody tells you the harsh reality: If You Can't KEEP Clients, You Don't Have a Business. And this is a big deal because a 5% increase in client retention can improve profits by between 25% and 95%. So how do you get them to stay? Believe it or not, it's not just about results. Getting clients to stay with you long term boils down to 3 key elements referred to in the book as the sticky triad, and you have to get all your ducks in a row. If you're reading this now, chances are you're frustrated because you haven't quite figured out HOW to do that, and it's one of the biggest factors that's holding your agency back from getting out of the cycle of stuck building your team and enjoying the sort of lifestyle most people only dream of. Clients have options; they know it, and without the sticky triad, you'll end up landing two new clients only to lose one, leaving you, your team, deflated, frustrated, questioning your abilities. Scratching your head in disbelief as the dreaded glass ceiling rears its ugly head, stifling your growth, restricting your cash flow. Watching in frustration as client after client walks out the door into the open arms of your competitors. In this book, you will discover the proven step-by-step processes the author used to not only get enough clients to build a 7 figure agency but KEEP them and generate an abundance of referrals. There is a specific formula to getting it right, and it goes far deeper than simply getting results. Knowing what to say and how to say it at every critical touch point along the way, and then passing on that skill by training the best possible employees for the job. They've not only worked for me but for countless other agencies. And I am supremely confident that they will work for you IF you apply them. Over the past 4 years, I've taken these proven methods to keep more clients for longer, creating exponential recurring revenue growth year on year, and helped dozens of agency owners from around the world do the same. Josh Nelson, Author, Founder of The Seven Figure Agency. And in this book, you're going to get those exact same strategies. This set of turnkey instructions will teach you how Josh went from virtually bankrupt to running a hyper growth agency that made the Inc 5000 list of fastest growing companies in the United States 4 years in a row. How to manufacture quick wins for clients, give them precisely what they want so they stick around 10x longer. The 5 steps to better retention, how to onboard clients so they respect and appreciate you and never want to leave. How to stop taking on any every custom project. CHOOSE your own clients to reduce headaches, explode your scale ability. The step

by step automation process to communicate every step of the way avoid the deadly mistake of high churn agencies How to Keep the maximum number of clients possible so you can bank on solid revenue figures at the end of each month Josh tells you step by step how to get results for your clients how to implement your own agency marketing how to design systems that grow with your agency long term Ryan Deiss Founder CEO of DigitalMarketer com Adopting New Technologies in Sports Marketing Hyun-Woo Lee,Natasha T.
