The Legend of the Hidden Horses

A white horse stands on a grassy hillside, looking back over its shoulder. The horse is the central focus of the image, with its body angled towards the left and its head turned to look over its right shoulder. The background is a soft-focus landscape of rolling hills and fields under a clear sky. The horse's coat is a pale, off-white color, and it has a dark mane and tail. The grass in the foreground is a vibrant green.
