Grace Dr. Mary Franzen Clark,2020-10-13 Grace We use the word often We say grace before meals There but for the Grace of God go I But do we know what it is Do we fully understand the many dimensions of how Grace works For many the answer is not really Hence Grace A Workbook Dr Clark brilliantly incorporates the theology of Grace with the psychology of every day experiences always focusing on the core of the Gospel Grace A Workbook is an invaluable tool to help us become the dynamic people that God has planned for us to be It is a one of a kind workbook written with a deep passion for the excitement of God s love and Grace At the end readers will come out with a fresh sense of Grace as well as a fresh look at themselves and what we can become through the power of Grace The goals of Grace A Workbook To gain an in depth understanding of Grace in an easy to read easy to understand interactive format This Workbook came about as a result of teaching for a year on Grace in her adult Sunday school class In preparation she read many excellent books about Grace However she realized that many people because of their life experiences may have confusion and or uncertainty about how to incorporate Grace into their daily lives Thus these lessons were conceived Each week in her class as the lessons challenged the students to comprehend the power of God s love and Grace they left feeling uplifted and excited to live their lives with a deeper faith and purpose in their Christian walk Grace A Workbook is interactive It can have great benefit for someone to use individually or even more so in a group setting Dr Mary Clark knows from her personal journey as well as from her vast clinical experience how damaging it is to live under a veil of shame law and fear of punishment Unfortunately all too often that is the crippling message conveyed by the church Grace A Workbook is a fragrant and thoroughly practical breath of fresh theological air reconnecting us to the true heart of our gracious Father and his radically loving Son Dr Clark brings us not only the grace insights of a veteran Bible student but also compellingly addresses how grace can heal our brokenness
