Kenneth Oppel,2009-10-06 As the sun sets on the time of the dinosaurs a new world is left in its wake Dusk He alone can fly and see in the dark in a colony where being different means being shunned or worse As the leader's son he is protected but does his future lie among his kin Carnassial He has the true instincts of a predator and he is determined that his kind will not only survive but will dominate the world of beasts From the author of the internationally acclaimed Silverwing trilogy comes an extraordinary adventure set 65 million years ago Kenneth Oppel winner of a Michael L Printz Honor for Airborn has crafted a breathtaking animal tale that reaches out to the human in all of us     Skybreaker Kenneth Oppel,2009-09-22 A legendary ghost ship An incredible treasure A death defying adventure Forty years ago the airship Hyperion vanished with untold riches in its hold Now accompanied by heiress Kate de Vries and a mysterious gypsy Matt Cruse is determined to recover the ship and its treasures But 20 000 feet above the Earth's surface pursued by those who have hunted the Hyperion since its disappearance and surrounded by deadly high altitude life forms Matt and his companions soon find themselves fighting not only for the Hyperion but for their very lives     **Crossover Fiction** Sandra L. Beckett,2010-11-24 In Crossover Fiction Sandra L Beckett explores the global trend of crossover literature and explains how it is transforming literary canons concepts of readership the status of authors the publishing industry and bookselling practices This study will have significant relevance across disciplines as scholars in literary studies media and cultural studies visual arts education psychology and sociology examine the increasingly blurred borderlines between adults and young people in contemporary society notably with regard to their consumption of popular culture     **Ecology and Literatures in English** Françoise Besson,2018-12-14 In all latitudes writers hold out a mirror leading the reader to awareness by telling real or imaginary stories about people of good will who try to save what can be saved and about animals showing humans the way to follow Such tales argue that in spite of all destructions and tragedies if we are just aware of and connected to the real world around us to the blade of grass at our feet and the star above our heads there is hope in a reconciliation with the Earth This may start with the emergence or rather the return of a nonverbal language restoring the connection between human beings and the nonhuman world through

a form of communication beyond verbalization Through a journey in Anglophone literature with examples taken from Aboriginal African American English Canadian and Indian works this book shows the role played by literature in the protection of the planet It argues that literature reveals the fundamental idea that everything is connected and that it is only when most people are aware of this connection that the world will change Exactly as a tree is connected with all the animal life in and around it texts show that nothing should be separated From Shakespeare s theatre to ecopoetics from travel writing to detective novels from children s books to novels all literary genres show that literature responds to the violence destroying lands men and nonhuman creatures whose voices can be heard through texts      Sunwing: The Graphic Novel Kenneth Oppel,2026-09-01      Popular Series Fiction for K-6 Readers Rebecca L.
