Super Mario 3D World + Bowser's Fury Fuerst F,2021-03-04 Super Mario 3D World Bowser's Fury's is out on Nintendo Switch the former being a port of one of the Wii U's best titles The latter is more interesting though It's an open world 3D platforming adventure more akin to Super Mario Odyssey but on a larger scale set in Lake Lapcat Your main foe is Fury Bowser who emerges every now and then to cause havoc There's a lot more to Bowser's Fury than meets the eye however In total there are 100 Cat Shines to collect with each island in Lake Lapcat having five If you can find any new Shines after clearing an island try coming back later a new objective should become available and offer some hints As such you should always be open to exploring other islands as they open up which is what happens when Fury Bowser is defeated You'll notice a Cat Shine flying to a tower when collected travel to the top of the tower and ground pound the shiny bit to get a power up Since you can store up to five of each power up these can be especially useful for filling out your inventory Collecting a Shine will provide a power up on a tower each time though keep in mind that this stops once five Cat Shines has been obtained on an island As for Fury Bowser he'll come up every now and then his appearances increasing in frequency as you collect more Cat Shines Collecting a Shine will immediately make him go away and deplete his health for the next fight He'll eventually leave if you survive for long enough so keep that in mind if there are no Shines nearby Also worth noting is that certain boxes can only be opened by Fury Bowser Stand near them and once he uses his flame breath they'll be destroyed These boxes can contain Shines so worth the effort of trying to stay alive Upon gathering a certain number of Cat Shines the Giga Cat Bells become available Use these to turn into Giga Cat Mario and take on Fury Bowser Just keep in mind that taking a hit will transform you back to regular Mario You're still giant sized so Bowser can still be beaten at least in the early going but gathering another Giga Cat suit is as easy as going back to the Giga Cat Bell again Finally you won't be able to collect all of the Cat Shines before the final encounter with Fury Bowser When the last fight is wrapped up return to Lake Lapcat and speak to Bowser Jr He'll clue you in on the remaining Shines and their locations For even more tips and tricks check out the book below courtesy of Me Download Now
