**The Ultimate Medicine** Sri Nisargadatta Maharaj, 2006-09-28 The Ultimate Medicine is not for those who like their spirituality watered down but for serious students searching for awareness Sri Nisargadatta Maharaj 1897 1981 lived and taught in a small apartment in the slums of Bombay A realized master of the Tantric Nath lineage he supported himself and his family by selling cheap goods in a small booth on the streets outside his tenement for many years His life exemplified the concept of absolute nonduality of being In this volume Maharaj shares the highest truth of nonduality in his own unique way His teaching style is abrupt provocative and immensely profound cutting to the core and wasting little effort on inessentials His terse but potent sayings are known for their ability to trigger shifts in consciousness just by hearing or reading them The point is that man freed from his fetters is morality personified Such a man therefore does not need any moralistic injunctions in order to live righteously Free a man from his bondage and thereafter everything else will take care of itself On the other hand man in his unredeemed state cannot possibly live morally no matter what moral teaching he is given It is an intrinsic impossibility for his very foundation is immorality That is he lives a lie a basic contradiction functioning in all his relationships as the separate entity he believes himself to be whereas in reality no such separation exists His every action therefore does violence to other selves and other creatures which are only manifestations of the unitary consciousness So Society had to invent some restraints in order to protect itself from its own worst excesses and thereby maintain some kind of status quo The resulting arbitrary rules which vary with place and time and therefore are purely relative it calls morality and by upholding this man invented idea as the highest good oftentimes sanctioned by religious revelation and scriptures society has provided man with one more excuse to disregard the quest for liberation or relegate it to a fairly low priority in his scheme of things

action therefore does violence to other selves and other creatures which are only manifestations of the unitary consciousness So Society had to invent some restraints in order to protect itself from its own worst excesses and thereby maintain some kind of status quo The resulting arbitrary rules which vary with place and time and therefore are purely relative it calls morality and by upholding this man invented idea as the highest good oftentimes sanctioned by religious revelation and scriptures society has provided man with one more excuse to disregard the quest for liberation or relegate it to a fairly low priority in his scheme of things    **The Ultimate Medicine** Robert Powell,Nisargadatta Maharaj,2008-01-01 Sri

Nisargadatta Maharaj 1897 1981 one of the most important spiritual preceptors of the twentieth century lived and taught in a small apartment in the slums of Bombay India A realized master of the Tantric Nath Lineage Maharaj had a wife and four children For many years he supported himself and his family by selling cheap goods in a small booth on the streets outside his tenement His life was a telling parable of the absolute non duality of being The profound yet simple words of this extraordinary teacher are designed to jolt us into awareness of our original nature Like the Zen masters of Old Nisargadatta s style is abrupt provocative and immensely profound cutting to the core and wasting little effort on the trigger shifts in consciousness just by gearing or even reading them A study stream of Indians and Westerners those fortunate enough to discover Maharaj during his lifetime came to sit at his feet in the small loft where he received visitors In the tradition of the sage Ramana Maharishi he shared the highest Truth of non duality in his own unique way from the depths of his own realization In this volume Nisargadatta provides advanced instructions for spiritual aspirants The Ultimate Medicine is not for those who like their spirituality watered down but for serious students who will find herein powerful antidotes to unawareness    **The Ultimate Medicine** Nisargadatta (Maharaj),    **Nisargadatta Maharaj** Gabriele Ebert,2025-05-30

Nisargadatta Maharaj 1897 1981 was an advaitic sage He lived with his family in Bombay and owned a cigarette store After meeting his guru Siddharameshwar Maharaj he realized the Self by devoting himself to the basic experience of being the feeling I am as his master had taught him As a result many people came to him with their spiritual questions Maurice Frydman s book I Am That an extensive collection of his conversations also made him famous in the West In addition to biographical details the book provides an introduction to his teachings which are similar in content to those of Ramana Maharshi However his way of teaching differed considerably as he challenged his disciples in dialogue in order to bring them closer to his experience    **My Spinoza** Charles J. Marcus,2018-12-21 My Spinoza is the culmination of two decades of research by Charles J Marcus into the life and philosophy of Baruch Spinoza A renowned Western philosopher Spinoza is revered by many from Carl Jung to Albert Einstein who called him a spiritual genius and said I believe in Spinoza s God who reveals himself in the harmony of all that exists In My Spinoza Marcus explores revolutionary nondual understanding of reality blending a mix of theology psychology Eastern philosophy and practical reasoning that reveals Spinoza to be a brilliant guide for all seeking to awaken to the highest state of being Few philosophers have been so universally loved or

reviled as Spinoza While he has been honored as a Father of Enlightenment some early critics branded his work to be utterly evil and full of abominations Whatever beliefs one holds Spinoza simply cannot be ignored Mystics respect Spinoza's advocacy of human intuitive faculties and belief in a person's innate ability to perceive God directly without an intermediary Atheists admire Spinoza's logical dismantling of religious notions of God as a person fatherly presence and disseminator of reward and punishment A true universalist Spinoza captures the spirit of Judaism the Lord is one Christianity I and my father are one Buddhism no separate self and Hinduism all selves are one self When Spinoza was honored in The Hague it was proclaimed that he held the truest vision ever of God
