*The Business of Being an Artist* Daniel Grant, 2022-10-04 You've got the artistic talent now learn how to make a career out of it. Fine artists are taught many things about the craft of art in various art schools and university art programs but rarely do they learn much if anything about how to make a career of their talents. The *Business of Being an Artist* now in its sixth edition contains information on how artists may develop a presence in the art world that leads to sales. The book contains information on how artists can learn to sell their work directly to the public with an understanding of the principles of marketing and sales as they're applicable to works of art. Artists will also learn how to find a suitable gallery that will arrange sales and commissions and how to set up a contractual relationship with the dealer that is both equitable and profitable. Among the topics covered in *The Business of Being an Artist* are the range of exhibition opportunities for emerging and mid-career artists, how to set prices for artwork when or if artists should pay to advance their careers, how artists may communicate with the public, applying for loans, grants and fellowships, areas of the law that concern artists, using art materials safely, online sales and marketing and much more. In addition to all of this priceless information, *The Business of Being an Artist* includes a unique discussion of some of the emotional issues that face artists throughout their careers, such as working alone, confronting stereotypes, handling criticisms and rejection, the glare of publicity and the absence of attention. Without a doubt, *The Business of Being an Artist* is a must-have book for every artist ready to turn their talent into a successful business.

**Outsmart the Money Magicians: Maximize Your Net Worth by Seeing Through the Most Powerful Illusions Performed by Wall Street and the IRS** Christopher R. Manske, 2023-11-14 A Wall Street insider draws back the curtain on how financial firms take advantage of individual investors and delivers the information and insights you need to turn the tables. Nationwide brokerage firms have perfected the secrets for how to legally fool the rest of us into giving them our hard-earned money. Written by a renowned leader and financial reform advocate who has seen every trick in the book firsthand, *Outsmart the Money Magicians* reveals how biased the financial system often is and helps you see through the illusions, understand exactly what is happening with your money and make investing and tax decisions accordingly. You'll learn everything there is to know about how often Wall Street and the IRS rely on hard-to-see deceptions that encourage the public to behave a certain way, including encouraging people to save a fixed amount each month in an illusion called Pay Yourself First, hiding the profits created by dividends and rebalancing to motivate people to sell investments worth keeping, leveraging fear of the higher tax bracket to incentivize us to spend more money on government
