Ghost Planet Louis Shalako,2013 A collection of short stories from the evil mind of Louis Shalako **The Architecture of Survival** Erik Trump,Jake Parcell,2023-09-05 The Architecture of Survival Setting and Politics in Apocalypse Films offers a compelling exploration of how popular films and TV series from the past two decades use architectural spaces to comment on socio political issues The authors harness varied theoretical perspectives to demonstrate how through set design these works suggest that certain kinds of architecture support human development community and freedom while other kinds separate us from our fellow humans and make democratic politics impossible The clean lines of modernist design serve in films such as Contagion and Ex Machina as a metaphor for the sanitized sterile politics that drive disaster In The Walking Dead apocalypse survivors favor traditional architectural styles when rebuilding society a choice that symbolically affirms their democratic principles The massive walls and super gentrification as seen in Elysium and Army of the Dead divide humanity with those on one side wielding illegitimate power Empty streetscapes intensify loneliness alienation and the destruction of civil norms Smart cities offering a blend of high tech surveillance and big data erode social capital and community in Her and Transcendence The book concludes with a somewhat hopeful glimpse into architecture s potential to mitigate the catastrophic adverse effects of climate change as seen in films like Zootopia **Boing Boing** ,1993 **Forest and Stream** ,1898 *Perspectives* ,1999 *The Athenaeum* ,1917 **Every Saturday** ,1871 **Forbes** ,1979 International Books in Print ,1990 Athenaeum and Literary Chronicle James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1917 Wallaces' Farmer and Dairyman ,1924 The Cultivator & Country Gentleman ,1876 *Frank Leslie's Illustrated Newspaper* ,1897 **British Medical Journal** ,1887 **Gardeners' Chronicle** ,1946 **'American Book Publishing Record' Cumulative** R.
