Voting Radical Right In Western Europe:

Voting Radical Right in Western Europe Terri E. Givens, 2005-10-10 Publisher description Voting Radical Right in Western Europe Terri E. Givens, 2005-10-10 The economic and political conditions that have led to the rise of radical right parties exist in similar form and intensity all over Europe Yet radical right parties have only been successful in a few countries The Republikaner party s less than 2% of the vote is much lower than the National Front s high of 15% and the Freedom Party s 27% of the vote in national legislative elections Why do such a small percentage of voters choose the radical right in Germany Why is the radical right winning more seats in Austria than in France and Germany The main argument in this book is that radical right parties will have difficulty attracting voters and winning seats in electoral systems that encourage strategic voting and or strategic coordination by the mainstream parties The analysis demonstrates that electoral systems and party strategy play a key role in the success of the radical right Immigration and Membership Politics in Western Europe Sara Wallace Goodman, 2014-10-16 Why are traditional nation states newly defining membership and belonging In the twenty first century several Western European states have attached obligatory civic integration requirements as conditions for citizenship and residence which include language proficiency country knowledge and value commitments for immigrants This book examines this membership policy adoption and adaptation through both medium N analysis and three paired comparisons to argue that while there is convergence in instruments there is also significant divergence in policy purpose design and outcomes To explain this variation this book focuses on the continuing dynamic interaction of institutional path dependency and party politics Through paired comparisons of Austria and Denmark Germany and the United Kingdom and the Netherlands and France this book illustrates how variations in these factors as well as a variety of causal processes produce divergent civic integration policy strategies that ultimately preserve and anchor national understandings of membership **Authoritarianism and the Evolution of West European Electoral Politics** Erik R. Tillman, 2021 Authoritarianism and the Evolution of West European Electoral Politics provides a novel explanation of rising Euroscepticism and right wing populism in Western Europe The changing political and cultural environment of recent decades is generating an ongoing realignment of voters structured by authoritarianism which is a psychological disposition towards the maintenance of social cohesion and order at the expense of individual autonomy and diversity High authoritarians find the values and demographic changes of the past several decades a threat to social cohesion which has created an opportunity for PRR parties to gain their support by campaigning against these perceived threats to national community posed by immigration values change and European integration The result is a worldview evolution in which party conflict is shaped by the rival preferences of high and low authoritarians Drawing on national and cross national survey data as well as an original survey experiment this book demonstrates how the relationship between authoritarianism and 1 attitudes towards the EU and 2 voting behaviour has evolved since the 1990s In doing so this book advances these literatures

by providing an explanation for why certain voters are shifting towards PRR parties as electoral politics realigns *The Far Right in Europe* Peter Davies, Paul Jackson, 2008-08-30 The Far Right in Europe An Encyclopedia brings together up to date information on all the major and many minor European far right parties tracing their historical roots describing their policies personalities and activities and exploring the links between them Longer contextual essays written by a team of experts debate regional and ideological traditions Scholarly but accessible there is no better introduction to the alarmingly vigorous contemporary tradition of far right groups in Europe BOOK JACKET The Radical Right in Western Europe Herbert Kitschelt, Anthony J. McGann, 1995 An in depth analysis of radical right parties in seven countries *Radical Right* Pippa Norris, 2005-08-22 This book first published in 2005 explains why radical right parties have advanced in a diverse array of democracies **Radical Right-Wing Populist Parties in Western Europe** Tjitske Akkerman, Sarah de Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen s National Front or Nigel Farage s UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally **Right-wing Extremism in Switzerland** Marcel Alexander Niggli, 2009 Leading European scientists in the field of right wing extremism have contributed to this collection which introduces the ongoing projects of Switzerland s national research program 40plus The essays are presented in an international perspective in ord The AfD, FPÖ and leading online newspapers. Friend or enemy? Carolina Gerwin, 2019-12-09 Bachelor Thesis from the year 2019 in the subject Communications Media and Politics Politic Communications grade 7 8 Leiden University language English abstract This thesis examines how the right wing populist parties AfD and FP are portrayed in the media In 2017 the right wing populist parties Alternative for Germany AfD and the Austrian Freedom Party FP got markedly different election results While the AfD got 12 6 % of the vote share the FP achieved a much higher result with 26 % Considering that the two parties as well as Germany and Austria are ostensibly similar this puzzle leads to the question of what explains the so markedly different election results of the AfD and the FP in 2017 Based on a review of general factors that explain the success of populist

radical right parties and extensive research on the aspects that led to the rise and success of the AfD and FP the paper focuses on the role of the media seeking to understand how the two parties were portrayed by the media before the 2017 elections This task is approached by conducting a qualitative content analysis of the reporting on the AfD by the Bild Zeitung and the depiction of the FP by the Kronen Zeitung the two most popular online daily newspapers in their countries during the last month before the elections It is shown that the two parties used different framing strategies to report on the AfD or FP respectively resulting in a much more negative portrayal of the former Considering that the FP was depicted in a more positive way and got a much higher result in the election the paper contributes to the literature by supporting the theory that the media have an influence on election results by shaping the public image of parties and their leaders thereby influencing the voter s perception of them and offers a relevance point for further research on explaining the varied election results of the AfD and FP in the 2017 elections

Separatism and Sovereignty in the New Europe Janet Laible,2008-11-15 This book investigates the question of why despite European integration and its challenges to state sovereignty separatist nationalism continues to thrive in European Union member states Janet Laible argues that the EU as a context a set of resources and a participatory arena is deeply implicated in the arguments and tactics of separatists Contrary to those who believe that European integration has reduced the incentives for separatist politics Laible draws on evidence from contemporary Scottish and Flemish nationalism to demonstrate that the EU sustains the importance of statehood and therefore separatism and creates new forms of political capital that nationalists employ in their struggles for self government

European Journal of Political Research ,2009 **German Politics and Society** ,2007 **Risk Regulation in the United States and European Union** Lina M. Svedin,Adam Luedtke,Thad E. Hall,2010-05-15 PART I RISK REGULATION IN A COMPARATIVE PERSPECTIVE American and European Views on Risk Divergent and Convergent Trend in the Regulation of Risk PART II RISK REGULATION IN FOUR POLICY DOMAINS SOCIAL RISKS BIOLOGICAL RISKS ENVIRONMENTAL RISKS AND SOCIETAL RISKS Immigration Food Safety Flooding Election Technology and Election Fraud

Annual Review of Political Science ,2007 The mission of Annual review of political science is to provide systematic periodic examinations of the field through critical authoritative reviews The comprehensive critical review not only summarizes a topic but also roots out errors of fact or concept and provokes discussion that will lead to new research activity Each review contains title author s key words abstracts review and bibliography *Measuring Meaningful Data in Social Research* Geert Loosveldt,Marc Swyngedouw,2007 This book serves a dual purpose Firstly it aims to make social science researchers more aware of the substantive implications of various aspects of the measuring process in social science research Secondly the book is also intended as a tribute to Jaak Billiet on the conclusion of his outstanding research career at the K U Leuven In the book over 40 international scientists reflect on themes associated with this research pillarisation preference for the extreme right measuring and explaining ethnocentrism the validity and reliability of measurement instruments methodological

research into the quality of survey data with particular attention to non response and the methodology of comparative research Many articles emphasise the importance of the interaction between methodology and substantive results of social science research Affinity towards right-wing extremism in western Europe Jürgen W. Falter,1991 **European Studies Newsletter** ,2005 **Current Politics and Economics of Europe** ,2004 **Human Rights Matters** Julie Mertus,2009
Examines the effectiveness of national human rights institutions in promoting and protecting human rights through a series of comparative case studies

Ignite the flame of optimism with Crafted by is motivational masterpiece, Find Positivity in **Voting Radical Right In Western Europe** . In a downloadable PDF format (Download in PDF: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
