Confessing the Faith Today Allan Janssen, 2016-11-30 With the understanding that confession is a witness to the gospel

Confessing the Faith Today investigates how a sixteenth century Reformation confession the Belgic Confession can assist contemporary Christians testify to the truth of God's gracious turn toward creation and do so in the context of the twenty first century's competing claims. A close examination of the internal coherence of the Belgic Confession along with an exploration of how that confession might engage contemporary life offers fresh insight into how Christians might articulate what is at stake in the gospel. Janssen encourages the church to enter a conversation with the forebears of the faith acknowledging the historical nature of not only the confession but of God's involvement in all creation. The Good Confession Daniel R. Hyde, 2007-01-01 Today too many Christians are followers of novelty religious fads and strange new doctrines unheard of in the history of the church. On the contrary to be a Christian is to join the great cloud of witnesses. Heb 12:1 through the ages confessing with the Body of Christ the faith that was once for all delivered to the saints. Jude 3 This is what Paul called the good confession. 1 Tim 6:12 This workbook will lead you in a study of what it means to be a Christian from the vantage point of the Bible the ancient Christian creeds and the Protestant confessions of the sixteenth century. *Foundations of Faith* Michael D. Bush, Zeta T. Lamberson, 1999 *Heaven, Hell, and the Afterlife* J. Harold Ellens, 2013-07-25 Christianity Islam and Judaism all feature ideas about heaven hell and afterlife and these concepts have evolved over time within these religions. This work supplies a detailed and coherent understanding of the broad scope of spiritual thinking in the last 3 000 years within the Abrahamic traditions. Heaven Hell and the Afterlife Eternity in Judaism Christianity and Islam provides an all encompassing examination of historic and contemporary perspectives on afterlife in Western religions. In these three volumes Judaic Christian and Muslim scholars join forces providing an unprecedented review of their individual faith's traditions. Every significant issue and major theme is discussed no controversial topic is avoided. From ancient doctrines to modern day outlooks of conservatives progressives and liberals in all three religions all are analyzed and presented here. The framework of the volumes underscores how the ethics and concepts of eternity in the Western action religions contrast with Eastern religions that tend to be characterized as passive or withdrawal religions in their ethics and their notions of afterlife as absorption within universal spirit Nirvana or nonexistence. This work is well suited for undergraduate and graduate students general readers interested in religion and professional scholars particularly those in fields corollary to religious study.

Together We Believe Emily Belvery, 2022 Drawn from the Scriptures the Apostles Creed is a statement of what Christians believe. Simple concise and familiar the Creed expresses what Christians know and believe from God's Word and is the foundation on which Christians build their understanding. Yet when you speak the Creed do you think about what you are confessing. This Bible study examines the three articles of the Creed and how this ancient summary of the Christian faith articulates Christians' beliefs. Each lesson considers a portion of the Creed and its biblical foundations then digs deeper into the meaning of the words to help readers connect the text to everyday thoughts and actions. Designed for small groups each session includes discussion questions prayer time and a suggested hymn. Supplementing the sessions are topical essays that

help readers put the Creed and its significance into perspective Learning Theology through the Church's Worship Dennis Okholm,2018-11-06 This book introduces students to theology with sustained attention to how Christian beliefs and the church s worship interact both historically and in practice Dennis Okholm approaches the subject from the necessary intersection of theology and liturgy showing that learning the church s doctrine apart from its worship undermines both The book flows as if the reader were participating in a service of worship It features illustrative charts and figures that complement challenging concepts and includes suggestions for assignments at the end of the book *An Exposition of the Creed* John Pearson,1899 **Acts and Proceedings of the Meeting of the General Synod of the Evangelical and Reformed Church** Evangelical and Reformed Church.
