**Rewiring Your Self to Break Addictions and Habits** Angela Brownemiller Ph.D.,2009-11-25 Considering the many ways people seek emotional pleasure relaxation or escape in self harmful ways from excessive alcohol use and drug abuse to smoking overeating compulsive gambling out of control spending and even lesser behaviors like habitual nail biting there are few of us who do not have or know someone close who has an addiction or habit they wish they could break The problem common to all says author Browne Miller is that psychological reactions to events have motivated behaviors which in turn have created biochemical reactions in the brain that actually wires it for repeating the habit or addiction In this groundbreaking book Browne Miller explains simply and clearly how we can control our thoughts to rewire the brain and beat the pattern that spurs repeating harmful habits and addictions

Addiction is Addiction Workbook Sue Newton,2018-04-11 Addiction is a primary chronic

brain disease Primary means that it is not caused by anything else and chronic means that it lasts a lifetime Genetic factors account for more than half the likelihood that an individual will develop Addiction but environment also plays a significant role in its expression Our goal in writing this workbook is to help you appreciate the principles discussed in our book Addiction is Addiction and to expand your awareness and provide clarity about how the disease has been affecting you and others around you It is helpful although not necessary to have read Addiction is Addiction prior to starting this workbook This resource has been designed for those who have read our previous book and those who have not The title Addiction is Addiction highlights that whether a person s problem is with substances or behaviors such as food gambling sex and love these are all manifestations of the same disease and are not mutually exclusive      **A Dragon Whisperer's Guide to Love**
