suspects many of his Christian beliefs were diluted or even defiled by exposure to Eastern thoughts After a few years however his provincialism lessens when he meets and hears a scholarly British commissioner with in depth knowledge of Hinduism and Buddhism When the Japanese army reaches the Indo Burmese border Gambino moves from central India to the northeast to work in the Assam Mission Here the year after America enters World War II he rescues an orphan from certain starvation and takes him to a Catholic orphanage Krishna Swamy was born in the Deccan in 1885 the grandson of a temple priest who believes that everyone shouldn't read or even hear the Vedas He accepts the caste system as a natural order His son secretly resents him and spends the last years of his life with the untouchables defiantly teaching them the forbidden Vedas When he masters the Sanskrit grammar his grandfather teaches Krishna accompanies two of his friends on a pilgrimage During the journey the precocious seventeen year old observes the strength and confidence of Westerners and the fatalism and superstitions of his countrymen At Banaras and Sarnath they expand their horizons by attending many theological discussions After relinquishing his priestly birthrights he assumes the nonsectarian name of Bir Dharma and proceeds alone to Calcutta University to become modern by studying Christianity English and Western values Professor Das and Brother Curren offer him a scholarship as a Sanskrit grammarian Bir and Curren become close friends They discuss commonalities between Hinduism and Catholicism Bir soon discovers that studying other faiths develops respect for all religions In 1911 Bir meets Nongrim Hilly in Calcutta who later joins the priesthood to spread Christ's love to the remote northeast regions Hilly asks Bir to convert and join him in spreading Catholicism But Bir declines He fears organized religions After six years at the university Bir goes to Delhi to work in the construction of the new imperial capital There a Sikh befriends him and invites him to a gurdwara where he learns about Guru Nanak's teachings and Sikh history Construction slows during World War I Unemployment grows and the future looks bleak A cult member offers human sacrifice for early rain While reporting this monstrosity to a newspaper Bir meets a foreign war correspondent who introduces him to American and Indian papers as a Westernized guru and freelancer His fame spreads Colleges and universities invite him to lecture Commissioner Gait requests him to speak about Hinduism to his new Indian Civil Service officers Here Bir meets Gambino When Bir visits the temples of Bhubaneswar a cyclone devastates the coastal regions of Orissa Gambino joins the Catholic Relief Mission and shows Bir the importance of organization in undertaking large projects Gambino next visits Father Kenny in Calcutta who advises him to meet Father Hil
