Macdowall Hunter AITKEN,1876 **Judgment Day is Over** Mathew Simon,2019-06-26 Why did Jesus say that He was coming soon 2000 years ago The Churches have been saying that He is coming and that we are living in the Last Days But every prophecy has failed for the last 2000 years The words of Christ and the Bible are being questioned by people all over the world How do we find out the truth We can be set free when we read the Bible in context and study the historical events of the 1st Century The Bible shows that Jesus Christ died for those under the Law of Moses and that they were living in the last days of the 12 tribes of Israel The Judgment Day of the Bible was over in 70AD when the Law ended and God promised to never remember sin anymore Jesus took away the sins of the old covenant world He was born under the law of Moses and came to fulfill the law In His 1st coming He died on the cross to cancel the law of Moses The sign was that the veil in the Temple tore in two But Jesus and all the Apostles promised that He would return within their lifetime to judge those under the law of Israel and bring salvation to His Church The 2nd coming happened in 70AD when the Temple was destroyed in Jerusalem He removed the law in His 2nd coming Today the world is not under judgment because Jesus took away sins by taking away the law Romans 4 15 NIV where there is no law there is no transgression Everyone goes to heaven because Jesus Christ has finished the work We can rest in the love of God our Father who does not judge anyone today Storied and Supernatural Places Ülo Valk,Daniel Sävborg,2018-05-09 This book addresses the narrative construction of places the relationship between tradition communities and their environments the supernatural dimensions of cultural landscapes and wilderness as they are manifested in European folklore and in early literary sources such as the Old Norse sagas The first section Explorations in Place Lore discusses cursed and sacred places churches graveyards haunted houses cemeteries grave mounds hill forts and other tradition dominants in the micro geography of the Nordic and Baltic countries both retrospectively and from synchronous perspectives The supernaturalisation of places appears as a socially embedded set of practices that involves storytelling and ritual behaviour Articles show how places accumulate meanings as they are layered by stories and how this shared knowledge about environments can actualise in personal experiences Articles in the second

section Regional Variation Environment and Spatial Dimensions address ecotypes milieu morphological adaptation in Nordic and Baltic Finnic folklores and the active role of tradition bearers in shaping beliefs about nature as well as attitudes towards the environment The meaning of places and spatial distance as the marker of otherness and sacrality in Old Norse sagas is also discussed here The third section of the book Traditions and Histories Reconsidered addresses major developments within the European social histories and mentalities It scrutinizes the history of folkloristics its geopolitical dimensions and its connection with nation building as well as looking at constructions of the concepts Baltic Nordic and Celtic It also sheds light on the social base of folklore and examines vernacular views toward legendry and the supernatural

Original works by godly writers tailored for the understanding of today s reader For hundreds of years Christendom has been blessed with Bible commentaries written by great men of God who were highly respected for their godly walk and their insight into spiritual truth The Crossway Classic Commentary Series carefully adapted for maximum understanding and usefulness presents the very best work on individual Bible books for today s believers Addressed to persecuted believers Peter s first letter encourages them with the knowledge that it is possible to live victoriously in the midst of hostility just as Christ who suffered unjustly did He exhorts them to live a holy life that they might be a witness and evangelize the world through their faithfulness In his second epistle Peter warns against the more subtle dangers from within the church false teachers and errant doctrine He also emphasizes the importance of scriptural knowledge for only in understanding true doctrine will heresies be known and immoral behavior be exposed Robert Leighton and Griffith Thomas s exploration of 1 and 2 Peter s key passages offers resounding wisdom that will both instruct and encourage all Christians

Public School Methods ,1918    Judgment Day Raymond Fell,2008-05-22 The author wants his readers to be fully aware of how necessary it is to be prepared for that day when all of us will face God for the first time on Judgment Day It is just impossible for us to even guess how the Good Lord will manage such an event The author hopes his book will somehow get in the hands of people who have rejected God or have paid little attention to the Word of God Readers may want to read this book before May 21 2011 which is the date some are predicting will be the exact date of Judgment Day Even if that is not the date Judgment Day takes place my book points out that Judgment Day takes place every time someone dies so in fact every day is Judgment Day for some
