When Money Grew Trees Moonshiner:

When Money Grew on Trees David Mac,2003-03 The World s Best Kept Secret for Success and happiness is an Open Sesame to a life you have only dreamed of It will show you how to be richly rewarded for being completely selfish and doing only what is best for good old Number One This is contrary to everything you have ever been taught But amazingly this benefits all concerned and even helps to make this a better world Incredibly Dr Rayser has discovered through 20 years of research and study that by following the procedures outlined you harness the power of a Universal Law that works as infallibly as the Law of Gravity to bring you only the good things in life It may take a bit of patience and persistence because you have to unlearn and replace a lot of erroneous concepts But even if you are successful only 50 percent or even a mere 10 percent you will see your life irrevocably changing for the better

The Biggest Moonshiner Betty M. Rafter,2019-08-23 The Biggest Moonshiner is a story of unconditional love triumph over hate forgiveness and redemption It s a memoir with bits of history during the hard scrabble life of the author and her eleven siblings growing up during the Depression in the Glades of South Florida with allegedly the biggest moonshiner on the East Coast and their faith based mama It tells of their mama s struggle to keep the family together and life lessons the author and her siblings gleaned from adversity while hiding out in the woods with their parents Urbie and Leila Meeks when they were running from the Feds picking cotton in Alabama while on the run living in a tent and picking other crops with migrants and during their time living in an orphanage Leila never lost her faith in God or her unconditional love for their hardworking optimistic and fun loving daddy who made every challenge a fun adventure even when he got drunk and abused her and sometimes the kids or when they were homeless after he lost their home and business gambling or when she had to feign for herself and six kids when he went to prison for making moonshine When a tragedy brought about the death of Leila and her unborn child the siblings struggled to work through the fog of pain knowing they had to put their anger and hate aside and forgive if they were going to fulfill their mama s last request To get along with your daddy and keep the kids together
