When Science And Christianity Meet:

When Science and Christianity Meet David C. Lindberg, Ronald L. Numbers, 2003-10-29 Have science and Christianity been locked in mortal combat for the past 2000 years Or has their relationship been one of peaceful coexistence encouragement and support Both opinions have been vigorously defended widely disseminated and hotly debated And both have been rejected by knowledgeable historians as unacceptable oversimplifications of the historical reality This book steps back from those debates abandoning for the present the attempt to formulate or defend generalizations of such breadth and scope Its authors believe that every encounter had its own peculiar shape and that each must be examined uniquely before broader attempts at generalization are likely to succeed This book in language accessible to the general reader investigates twelve of the most notorious most interesting and most instructive cases aiming to tell each story in its historical specificity and local particularity Among the episodes treated in When Science and Christianity Meet are the Galileo affair the 17th century clockwork universe Noah s ark and flood in the development of natural history struggles over Darwinian evolution debates about the origin of the human species and the Scopes trial Readers will be introduced to St Augustine Roger Bacon Pope Urban VIII Isaac Newton Pierre Simon de Laplace Carl Linnaeus Charles Darwin T H Huxley Sigmund Freud and many other participants in the historical drama of science and Christianity Contributors William B Ashworth Jr Thomas H Broman Janet Browne Mott T Greene Edward J Larson David C Lindberg David N Livingstone Robert Bruce Mullin G Blair Nelson Ronald L Numbers Jon H Roberts

When Science & Christianity Meet David C. Lindenberg, Ronald L. Numbers, 2024-05-31 This book in language accessible to the general reader investigates twelve of the most notorious most interesting and most instructive episodes involving the interaction between science and Christianity aiming to tell each story in its historical specificity and local particularity Among the events treated in When Science and Christianity Meet are the Galileo affair the seventeenth century clockwork universe Noah s ark and flood in the development of natural history struggles over Darwinian evolution debates about the origin of the human species and the Scopes trial Readers will be introduced to St Augustine Roger Bacon Pope Urban VIII Isaac Newton Pierre Simon de Laplace Carl Linnaeus Charles Darwin T H Huxley Sigmund Freud and many other participants in the historical drama of science and Christianity Taken together these papers provide a comprehensive survey of current thinking on key issues in the relationships between science and religion pitched as the editors intended at just the right level to appeal to students Peter J Bowler Isis

To Adam About Adam Jim Frederick, 2013-10-16 Modern scientific discoveries often challenge biblical teachings and the long held beliefs of many Christians To Adam about Adam is a serious yet lighthearted autobiography of the author who has known Jesus since his childhood but drifted for many years while on his quest for science Only while searching for answers to his sons question about Creation did the author find his way back to the Word of God Through his journey the author was able to bring his passion for science and love for God together into a more holistic understanding of Gods plan for mankind In a very personal

way he uses an open bantering approach throughout the book to establish a friendly relationship with the reader This personal relationship is used to guide the reader through a number of biblical stories to show how God acted as both a loving and caring Father and as a scientist in teaching mankind lessons related to overcoming sin To Adam about Adam may improve the readers understanding of Gods plan for mankind and show how science is instrumental to that plan For example the author details how the fall of Adam and Eve was an important and preconceived part of Gods plan not merely perfection gone awry Science can explain the basis for the sin we see in the world today whereas the Bible describes the only cure Thus the Bible and science are both integral to the fulfillment of Gods plan *Perspectives on Science and Christian Faith* ,2007
