Where Have You Been Selected Essays:

Where Have You Been? Michael Hofmann, 2014-12-02 A collection of essays on poetry and translation from literary critic Michael Hofmann **Selected Essays** Oliver Goldsmith, 1910 *Collected Essays* Thomas Henry Huxley, 1897

Collected Essays: Evolution and ethics Thomas Henry Huxley, 1898 **Ferdinand, The Man with the Kind Heart**
Irmgard Keun, 2020-12-08 The last novel from the acclaimed author of *The Artificial Silk Girl* this 1950 classic paints a delightfully shrewd portrait of postwar German society. Upon his release from a prisoner of war camp Ferdinand Timpe returns somewhat uneasily to civilian life in Cologne. Having survived against the odds he is now faced with a very different sort of dilemma. How to get rid of his fiancée? Although he certainly doesn't love the mild mannered Luise Ferdinand is too considerate to break off the engagement himself so he sets about finding her a suitable replacement husband no easy task given Luise's high standards and those of her father formerly a proud middle ranking Nazi official. Featuring a lively cast of characters from Ferdinand's unscrupulous landlady with her black market schemes to his beguiling cousin Johanna and the many loves of her life Ferdinand captures a distinct moment in Germany's history when its people were coming to terms with World War II and searching for a way forward. In Irmgard Keun's effervescent prose the story feels remarkably modern.

The Dolphin Robert Lowell, 2019-12-10 The Pulitzer Prize winning powerful sonnet sequence narrating the breakup of Lowell's marriage a tumultuous period in the celebrated poet's life. I have sat and listened to too many words of the collaborating muse and plotted perhaps too freely with my life not avoiding injury to others not avoiding injury to myself to ask compassion this book half fiction an eelnet made by man for the eel fighting my eyes have seen what my hand did. Winner of the Pulitzer Prize in Poetry *The Dolphin* was controversial from the beginning many of the poems include the letters that Robert Lowell's wife the celebrated writer and critic Elizabeth Hardwick wrote to him after he left her for the English socialite and writer Caroline Blackwood. He was warned by many among them Elizabeth Bishop that art just isn't worth that much. Nevertheless these poems are a powerful document of an impulsive love and a moving record of Lowell's change from one life and marriage in America to a new life on new terms with a new family in England rendered with the stunning technical power and control for which he was so celebrated. This new edition which follows the 1973 edition includes scans of the pages of Lowell's original manuscript giving us a look into the brilliant and complicated mind of one of our most beloved and distinguished poets. [The Barbarians Arrive Today](#) Constantine C.P., Constantine Cavafy, 2020-12-21 A Times Literary Supplement Book of the Year 2020 With *The Barbarians Arrive Today* Evan Jones has produced the classic English Cavafy for our age.
