# OIV96i

## Quick Start Guide

This is a "quick start guide" designed for people about to use Yamaha OIV96i for the first time. It is not a guide to audio mixing and it assumes the reader has experience of analog mixers. It does not replace the manual; we recommend referring to the manual if further information is required.

 OIV96i manual and then the editor and drivers guides. Mmmmmmmmm... there has got to be a quicker way...
