## Science

**Materials** - Look at the different materials in the story. Think of clothes, glass items, brick surfaces, heavy/grey different materials for shoes and the glass and ideas for each of them. For example, clothes are made of fabric to make them柔软 (soft) but they aren't always the most comfortable to wear (like in). Clothes are good for carrying and doing sport because they are made from leather and fabric but aren't good for walking in the mud. Moving on from these materials, you can then look at changes in materials. These changing state pictures are good for helping children. They could do the following changing state experiment and use several sheets to record their findings.

**Practical** - If you were looking at shoes you could also do an experiment looking at friction and the shoes with the best grip. You can do this with shoes with different materials covering them.

## Mathematics

**Time** - In the story Cinderella has to be careful of the time. Create word problems involving time around the story. Such as 'The ball starts at 7pm, it takes 10 minutes to get there and 10 minutes for Cinderella to get ready, what time does Cinderella leave her house?' You could also look at analogue clocks and thought about telling the time. What are Cinderella's tasks at that time of the day?

## PSHE

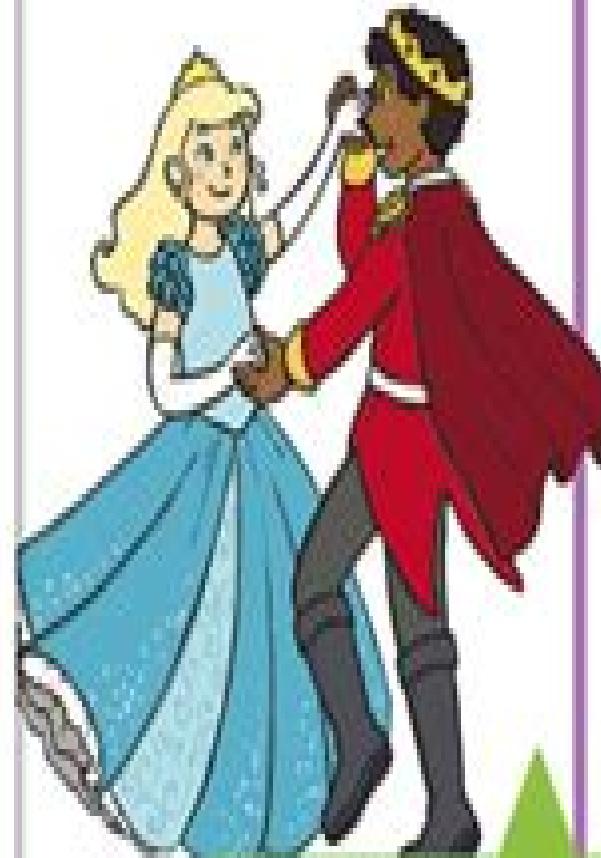

**Bullying** - The ugly sisters bully Cinderella in the story so use this as a platform for a bullying topic. Start off with these discussion cards to generate thoughts on bullying from the children. This worksheet allows children to think of people they might want to go to if they are being bullied and places the teacher as where the children often feel available to speak. These writing frames are good for exploring the words can hurt other people and can make people feel different things. Use these cards as part of a display to help children remember how to behave and be a good friend. Get children to write of different ways people can bully using these worksheets.

## Geography

Use it as a focus and see if there are any other versions of Cinderella and compare them. Then investigate the country where it comes from, for example there is an Irish version of the story, so look at Irish culture and compare it to British culture. Use this map to look where in the world there are different versions of the Cinderella story.
