*Customer-Dominant*

*Logic* Manfred Bruhn, Maxim Saleschus, Karsten Hadwich, 2024-11-26 This book provides a structured overview of Customer Dominant Logic and formulates fundamental principles that form the basis for a realignment of customer oriented corporate management. Customer Dominant Logic is an innovative marketing logic that consistently places the customer at the center of all business activities. This requires a fundamental shift in perspective where the integration of the provider with the customer takes precedence over the integration of the customer with the provider. Based on the principles of Customer Dominant Logic the authors present their own and new systematic management approach. They introduce Customer Dominant Management detailing all necessary phases of a management process. Customer Dominant Management aims to realize both customer and company goals through the establishment of a partnership with value creating offerings in the customer ecosystem.
