AI: Game On Tim Trumper, 2024-03-06. AI Game On is written for today's business leaders who seek to understand how AI can be leveraged for increased sustainability, improved competitive positioning, and/or to drive better customer, shareholder, and societal outcomes. The aim of AI Game On is to help business leaders thrive in a world that is more data driven and AI directed, providing readers with frameworks, methods, and real examples of constructive ethical governance of AI deployment, as well as harmful models which organisations and society must avoid. AI Game On attacks the vexing and strategic dilemma for directors and executives whose job is to decide who or what decides. The book answers the questions of how and why an organisation would and could delegate decisions to AI, and explores the consequences of such decision making. AI Game On strives to make sense of the trade offs between decisions of AI and/or decisions of humans. AI Game On is jam packed with compelling use cases demonstrating how AI can break through complex and difficult business problems to create opportunities for the world that were unimaginable only twelve months ago. Insights from AI Game On will prove both valuable and advantageous for leaders in commercial, government, or not-for-profit sectors alike.

Hospitality Law Stephen C. Barth, Diana S. Barber, 2025-09-03. New edition of the leading textbook on the complex legal issues which arise in hospitality, restaurants, bars, hotels, and more. Hospitality Law helps teach readers what they need to know to manage a facility legally, safely, and securely, taking an applied approach to the study of hospitality law with its touchstone of compliance and prevention. The legal information provided is carefully selected to specifically correlate with helping readers understand how to do the right thing. The book is highly pedagogical and includes many interactive exercises and real world

cases that help readers focus on the practical application of hospitality laws and model their decision process to keep employees and guests safe while avoiding liability. The authors immediately help readers learn about the legalities of situations and work through exercises both individually and in groups to effectively apply them to hospitality management situations. Many instructors teach their course from a very applied perspective which aligns with the book's approach. Updates in this newly revised Sixth Edition of Hospitality Law include Details about the latest changes to laws, guidelines, standards and regulations including the impact of the COVID 19 pandemic, AI policies in the workplace, website accessibility update for those with disabilities, the ongoing Fentanyl and Human Trafficking crises, and LGBTQ rights in the workplace. Guidance regarding use of social media and mobile devices in hospitality. Recent changes regarding food allergies and other potential hazards. Resources and links updated to the most current information. Revised instructor support materials including PowerPoint slides, an Instructor's Manual, and test banks. Hospitality Law is an excellent learning aid for students in hospitality courses and professionals needing legal insights into the hospitality industry.
