**The Business of Sports** Scott Rosner,Kenneth Shropshire,2011-01-07 The Business of Sports Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today's sports business leaders. It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas. The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management, marketing, finance, information technology, accounting, ethics, and law. Each chapter features concise introductions, a broad range of focused readings, and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics.

**The Business of Sports** Mark Conrad,2017-02-17 The Business of Sports provides a comprehensive foundation of the economic, organizational, legal, and political components of the sports industry. Geared for journalism, communication, and business students but also an excellent resource for those working in sports, this text introduces readers to the ever-increasing complexity of an industry that is in constant flux. Now in its third edition, the volume continues to offer a wealth of statistics and case studies up to date with the newest developments in sports business and focused on cutting-edge issues and topics including the many changes in international sports and the role of analytics in decision making and tax rules that have a major effect on athletes and teams.
