International Legal English Rupert Haigh, 2020-12-22 English is the dominant language of international business relations and a good working knowledge of the language is essential for today's legal or business professional. This book provides a highly practical approach to the use of English in commercial legal contexts and covers crucial law terminology and legal concepts. Written with the needs of both students and practitioners in mind, this book is particularly suitable for readers whose first language is not English but need to use English on a regular basis in legal contexts. The book covers both written and verbal legal communication in typical legal situations in a straightforward manner. In addition to chapters on the grammar and punctuation utilised in legal writing, the book features sections on contract drafting and the language used in negotiations, meetings and telephone conversations. It features a companion website which contains exercises covering the majority of the topics covered in the book's chapters. This edition thoroughly revises and expands the content of the companion website and contains updated examples, more detailed explanations of problematic areas and an expanded section on writing law essays.

Great Resume Jason Rich, 2000 Great Resume will walk you through the entire resume creation process. This book can teach anyone how to add impact to a resume and select the best resume format based on any personal situation. You'll learn how to put all of the pieces of a resume together into one powerful and well-written document, discover how to choose the best possible wording to convey important information, learn how to avoid the most common resume creation mistakes and find out about the many tools available that will make the resume creation process easier and less stressful. Fully up to date for modern job seekers, this book also explores how to tap the power of the Internet. Plus, you'll discover how to evaluate job opportunities and evaluate your own goals and objectives to ensure you wind up in a job that's challenging, rewarding and enjoyable.

International Job Finder Daniel Lauber, Craig Rice, 2002 Offers over 1,001 ways to find international jobs throughout the world, especially in today's troubled times. 10,000 first printing. Advertising extensive online promotion. Author radio tour.
