**The Bitches of Everafter - A Dark Princess Fairy Tale** Barbra Annino,2015-02-08 You think you know these women but you don't They are nothing like the gentle fearful maidens in the fairytales you have read The faces they show to the world bright eyes fresh skin cherubic cheeks reflect not what is deep inside their hearts Their hearts are darker than their skin heavier than their laughter even sharper than their tongues and I can attest that all of them possess tongues chiseled into dagger points one lashing by which would have a man checking that his genitals were still intact But it takes more than words to lead a kingdom Should a ruler grow too trusting or complacent in her role as princess she just might wake up one day to discover that her story has been altered without a trace of the original in her memoryscape She could find herself living another life in a place that seems vaguely familiar but isn't exactly where she belongs Her days may seem shadowed somehow Her mind fragmented as if she were trapped in a nightmare from which she will never awaken Although the princess may not be able to put her finger directly on the mark she knows deep inside that something is askew You might be wondering how I know all this It's simple really I'm the one who wrote their stories Every word from the very first drop of ink to the last every line every bit of dialogue spilled from my quill It might surprise you to know that I was also the one who changed their stories Not of my own accord of course A scribe has not the power to alter the path of a princess nor would I ever want to I loathe editing I say tell the tale once and be done with it That's how the best work emerges But alas these orders came from above my head The messenger who stood before my cottage door smelled of onions and rain clouds with a pumpkin shaped head too large for his neck He handed me a scroll which I unrolled and read My orders were to change only one thing in each of the original five manuscripts I wrote One word really I was to add the word in to the very last line the line that concluded each of the princesses stories I wouldn't have to revise any other part of the books nor would I have to add the dreaded epilogue I loathe epilogues even more than editing I say if you need to add to the story then pen a sequel But for the purposes of our story all you need to know is that once upon a time five beautiful princesses ruled the United Kingdoms of Enchantment Five princesses who presently have no recollection of the royalty they once were nor the harshness the world imposed on them when they were so very young Now they live far far away In a town called Everafter Jacob Grimm The Scribe      *Seduced By The Billionaire: A 6-Book Steamy Enemies to Lovers Second Chance Billionaire Romance Boxed Set Book Bundle (Romance Books)* JL Ryan,2021-10-10 Curvy college student April Edwards once lived a life of luxury in an exclusive high class neighborhood until everything came crashing down Her father's arrest for securities fraud stripped her of the privileged life she knew Their mansion was seized and with no money left to pay for college she s

Alone, broke, and with nowhere to turn, April's only hope comes in the form of a job at an upscale country club arranged by a sorority sister. But when a member crosses a line and touches her inappropriately, she's fired without a second thought. Betrayed and humiliated, she's forced to face the harsh reality of her new life. Enter Nigel Conroy, an enigmatic billionaire who seems darkly dangerous. He's heard of April's plight and is hell-bent on making the country club pay. He'll destroy them with the ruthless precision of someone who has nothing to lose. But as his obsession with her grows, April realizes that Nigel's power isn't just in his wealth but in the raw magnetic way he sees through her into the depths of her vulnerability and desires.
