or are just now feeling the pull this book is for you *Six-Figure Storyteller with Author Ecosystems* Monica Leonelle, 2025-12-23

You've identified your Author Ecosystem. You understand your creative archetype and how your natural energy moves. Now it's time to turn that knowledge into sustainable six figure revenue. *Six Figure Storytelling with Author Ecosystems* is the advanced playbook for authors ready to scale their businesses using their archetype as their competitive advantage. This isn't theory; it's the practical implementation guide that shows you exactly how to master your ecosystem's evolution path and build multiple revenue streams that align with your natural strengths.

Note: This book assumes you already understand the Author Ecosystems framework. If you haven't read *Passion Profit with Author Ecosystems*, yet start there first. This sequel dives straight into advanced application showing you how to use your archetype to build scale and sustain six figures without burning out.

What makes six figure authors different? They don't just write books. They master their core archetype, develop their complementary skills, and systematically expand into multiple revenue streams all while staying aligned with their natural creative energy.

Whether you're a Desert who optimizes for speed and market precision, a Grassland who builds comprehensive interconnected worlds, a Tundra who creates cultural moments through strategic launches, a Taiga who cultivates loyal communities through authentic consistency, a Forest who transforms readers through emotional resonance, or an Aquatic who architects immersive experiences that become movements, this book shows you the exact path to six figures for your type.

Inside You'll Discover:

- Craft mastery for your archetype: The specific craft elements each type needs to elevate their storytelling.
- Format optimization: How to build revenue with print books, audiobooks, and translations designed for your ecosystem.
- Crowdfunding strategies: Campaign structures and approaches that align with your archetype's strengths.
- Direct sales systems: Website store setups and subscription models that work with your natural rhythm.
- Live event approaches: How each type succeeds with signings, markets, and in-person connection.
- Launch and evergreen marketing: Dual strategies that create momentum and build sustainable baseline revenue for your archetype.
- Fandom building: How to find and keep devoted readers using the Fandom Flywheel framework adapted for each type.
- Scaling to seven figures: Team building, systems development, and energetic sustainability for long-term growth.
- Plus: Discover the energetics underlying Author Ecosystems and how these six archetypes reveal your natural patterns of giving and receiving in every area of life, not just publishing.

This comprehensive guide takes you from understanding your archetype to mastering it, from single revenue stream thinking to building a diversified author business, from working harder to working smarter within your natural creative flow.

You don't need to master every archetype within yourself. You just need to master them within your business, and you can hire help to cover your gaps. This book shows you how to identify what you naturally excel at, what you should develop as complementary skills, and what you should delegate entirely. Stop leaving money on the table because you don't know how to leverage your archetype across formats, platforms, and revenue streams.

Start building the six figure writing business that actually fits how you're wired. Your Author Ecosystem isn't just about understanding yourself; it's about

she can't remember her name or anything about her life. She leaves the hospital and returns to a home that's anything but ideal: her stepmother loathes her, her stepsister resents her, and her father's a workaholic who's rarely ever home. She soon discovers that she is the head cheerleader and is dating Edward Kingsley, the golden boy quarterback who's madly in love with her. Everyone tells her how lucky she is to be with Edward, but for some strange reason, Elle is instead drawn to Rush Porter, her next-door neighbor, a brooding, reckless newcomer who's too good-looking for his own good. From the moment she sees him, he captures her attention and haunts her dreams, and he seems to know an awful lot about her. When Elle goes to work for her eccentric aunt Adele, who owns a chocolate shop, she begins to get a glimpse of another life, a magical life in which she was a simple peasant girl whose life changed forever the day she caught the eye of the prince. A girl who might have lived happily ever after had her heart not had other ideas. She becomes trapped between loyalty and duty, betrayal and love, and a forbidden attraction so strong that it has the power to destroy her. All is not as it seems on the surface. Dark forces are watching and waiting to claim what they deem to be theirs, and the fate of a kingdom rests in the hands of a girl who cannot remember who she is or where she came from. Readers who grew up enjoying *The Selection* and fans of the hit TV show *Once Upon a Time* will get swept into an enchanting royal world of breathtaking romance, unyielding loyalty, and a love so strong that it will either bond a kingdom together or bring it to its knees.
