to perform during your Skill Test set The procedures in this CNA Study Guide will help to ensure you can quickly flip through them and get the right information and quickly move on to the next set with the swipe of a finger if you re using our ebook version or turn of a page Finally at the end we will have 2 full practice tests so that you can gauge whether or not you are fully ready for your final certification This will focus on key questions that many previous CNAs have struggled with and will focus on those areas so as to give you the best indication of whether or not you are truly ready Reasons Why You Need This CNA Study Guide Getting prepared for the CNA exam is no easy task According to a result poll over 27% of those that take the test fail That means those students wasted their money and their time This can be absolutely frustrating and cause many problems in the future Another reason having a CNA Study Guide on hand is super important is that once you become a certified nursing assistant you will only have certification for that particular state So if you move to another state at some point in your life you will have to re certify in that state That may sound easy considering you might have done it for years before moving however imagine taking the drivers test again after all those years of learning how to really drive a car You probably don t follow all of the rules right Well the same can happen to a CNA They can develop the get it done the right way type attitude which won t test well on the certification exam 10 out of 10 must have for all CNA s CNA Exam Cram CNA Test Prep Ph D Jane John-Nwankwo Rn,2019-08-02 CNA Test Prep Volume 2 is a bank of more than 700 practice test questions for nurse assistants students preparing to take the state competency exam Questions were chosen from different areas of nursing care to enhance comprehensive review A review of these questions along with 400 questions in CNA Test Prep Volume 1 will better prepare the CNA students to challenge their state exams CNA Exam Preparation 2018-2019 Rets Griffith,2018-07-26 This book highly rated as the best book for preparing for the CNA State Boards exam and exclusively customized for TEXAS Skills State Boards Exam The book gives the students step by step guide and highlights the secrets and checkpoints for passing the Exam CNA Exam Test Prep Study Guide Elizabeth R.
