Study Materials For Tkt Yl:

The TKT Course Modules 1, 2 and 3 Mary Spratt, Alan Pulverness, Melanie Williams, 2011-01-13 This is the official preparation course for teachers and trainee teachers preparing for the Cambridge Teaching Knowledge Test TKT modules 1 2 and 3 *Assessing Language Teachers' Professional Skills and Knowledge* Rosemary Wilson, Monica Poulter, 2015-01-31

The growth in English language teaching worldwide and the related increase in teacher training programmes of all kinds highlight the need for greater accountability in the assessment of teachers The need for formal summative assessment has taken on greater importance in training programmes and requires procedures which do not always sit easily with the development process while transparency of assessment procedures is also increasingly demanded by the candidates themselves This edited volume discusses key issues in assessing language teachers professional skills and knowledge and provides case study illustrations of how teacher knowledge and teaching skills are assessed at pre service and in service levels within the framework of the Cambridge English Teaching Qualifications The volume provides discussion of ways in which the changing nature of English language teaching has impacted on teacher education and assessment examples of specific assessment procedures for both teaching knowledge and practical classroom skills accounts of the ways in which the Cambridge English Teaching Qualifications have been integrated into and adapted for local contexts This is the first volume of its kind wholly dedicated to language teacher assessment and as such will be of interest to language teachers and teacher educators as well as to researchers and postgraduate students

The Routledge Handbook of Teaching English to Young Learners Sue Garton, Fiona Copland, 2018-10-10 The Routledge Handbook of Teaching English to Young Learners celebrates the coming of age for the field of research in primary level English Language Teaching With 32 chapters written by international scholars from a wide geographical area including East Africa Mexico the South Pacific Japan France the USA and the UK this volume draws on areas such as second language acquisition discourse analysis pedagogy and technology to provide An overview of the current state of the field identifying key areas of TEYL Chapters on a broad range of subjects from methodology to teaching in difficult circumstances and from Content and Language Integrated Learning CLIL to gaming Suggestions of ways forward with the aim of shaping the future research agenda of TEYL in multiple international contexts Background research and practical advice for students teachers and researchers With extensive guidance on further reading throughout The Routledge Handbook of Teaching English to Young Learners is essential reading for those studying and researching in this area
