Succeed Perish Eggleston Mississippi Artillery:

To Succeed Or Perish Edmund Trent Eggleston, 2015 This book presents the diaries ledger and letters of Edmund Trent Eggleston one of a very few primary sources from a Civil War artillerist in the West As a member of this regiment Eggleston fought at Champion Hill and the 1864 campaigns in Georgia and Tennessee Probably the most significant contribution here is related to the Georgia and Tennessee campaigns these primary sources provide some of the only information we have about this important unit during that period To Succeed or Perish Lawrence Lee Hewitt, Thomas E. Schott, 2024-01-12 With the Conscription Act of 1862 the Confederacy enacted the first military draft in American history Rather than face duty with strangers in an uncertain locale twenty eight year old Edmund Trent Eggleston of Warren County Mississippi took advantage of a thirty day grace period and joined his neighbors in volunteering for duty in Company G of the 1st Mississippi Light Artillery Regiment Throughout his service Eggleston kept a detailed account of his daily activities and those of his unit a diary that remains one of the very few primary sources from a Confederate artillerist in the West In *To Succeed or Perish* editors Lawrence Lee Hewitt Thomas E Schott and Marc Kunis present Eggleston s diaries along with his letters and ledgers to offer a rare personal perspective on life behind the cannons in the Civil War s Western Theater and a fascinating window into the world of the Confederate soldier Eggleston describes garrison duty near Vicksburg where he enjoyed visits from his wife and children the battery s first engagement with the enemy at Champion Hill on May 16 1863 and his service during the 1864 campaigns in Georgia and Tennessee He offers a significant firsthand account of the Atlanta campaign including the fighting at Resaca Cassville New Hope Church Kennesaw Mountain and the Chattahoochee River as well as the siege of Atlanta Because of the destruction of Hood s Army Confederate records of these engagements are extremely rare and Eggleston s observations are invaluable In Tennessee he recounts the action at the Battle of Nashville and the capture of his battery Featuring an introduction that traces the wartime actions of Company G as well as a complete roster of the men with whom Eggleston served *To Succeed or Perish* provides an important primary account of artillery service in an underrepresented theater of the Civil War Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University He is the author of *Port Hudson Confederate Bastion on the Mississippi* and co editor of six anthologies dealing with America s Civil War Thomas E Schott worked as a historian for the Department of Defense He is the author of *Alexander H Stephens of Georgia A Biography* winner of the Jefferson Davis Award and co editor with Lawrence Hewitt of *Lee and His Generals Essays in Honor of T Harry Williams* Marc Kunis is a certified public accountant and the director of accounting at Resolution Productions *The Battle of Peach Tree Creek* Earl J. Hess, 2017-08-09 On July 20 1864 the Civil War struggle for Atlanta reached a pivotal moment As William T Sherman s Union forces came ever nearer the city the defending Confederate Army of Tennessee replaced its commanding general removing Joseph E Johnston and elevating John Bell Hood This decision stunned and demoralized Confederate troops just when Hood was compelled to take the offensive against the

approaching Federals Attacking northward from Atlanta s defenses Hood s men struck George H Thomas s Army of the Cumberland just after it crossed Peach Tree Creek on July 20 Initially taken by surprise the Federals fought back with spirit and nullified all the advantages the Confederates first enjoyed As a result the Federals achieved a remarkable defensive victory Offering new and definitive interpretations of the battle s place within the Atlanta campaign Earl J Hess describes how several Confederate regiments and brigades made a pretense of advancing but then stopped partway to the objective and took cover for the rest of the afternoon on July 20 Hess shows that morale played an unusually important role in determining the outcome at Peach Tree Creek a soured mood among the Confederates and overwhelming confidence among the Federals spelled disaster for one side and victory for the other [Storming Vicksburg](#) Earl J. Hess,2020-09-25 The most overlooked phase of the Union campaign to capture Vicksburg Mississippi was the time period from May 18 to May 25 1863 when Ulysses S Grant closed in on the city and attempted to storm its defenses Federal forces mounted a limited attack on May 19 and failed to break through Confederate lines After two days of preparation Grant s forces mounted a much larger assault Although the Army of the Tennessee had defeated Confederates under John C Pemberton at Champion Hill on May 16 and Big Black River on May 17 the defenders yet again repelled Grant s May 22 attack The Gibraltar of the Confederacy would not fall until a six week siege ended with Confederate surrender on July 4 In Storming Vicksburg military historian Earl J Hess reveals how a combination of rugged terrain poor coordination and low battlefield morale among Union troops influenced the result of the largest attack mounted by Grant s Army of the Tennessee Using definitive research in unpublished personal accounts and other underutilized archives Hess makes clear that events of May 19 22 were crucial to the Vicksburg campaign s outcome and shed important light on Grant s generalship Confederate defensive strategy and the experience of common soldiers as an influence on battlefield outcomes **Miserable Little Conglomeration** Christopher Thrasher,2023-09-29 The essential starting point to understand the experiences of the soldiers enslaved people and civilians involved in the Port Hudson campaign H Net Reviews While Vicksburg and Gettysburg tend to receive the most attention among Civil War battles it is Port Hudson that holds the record for the longest running siege in American history During the summer of 1863 US soldiers fought in the infamous heat and damp of Louisiana for forty eight grueling days having severely underestimated the Confederates determination to win Previous accounts of these events have rested on the leaders well known figures and familiar faces of the Civil War Here social historian Christopher Thrasher draws from a robust collection of archival sources to tell the story of the common people s experience throughout the Port Hudson Campaign the soldiers who fought the civilians who persisted and the men who persevered for those long days With more than forty illustrations and maps depicting the battles of Port Hudson and the defenses of the place itself Miserable Little Conglomeration builds upon previous scholarship to present a social history of this campaign through the eyes of the people who lived fought and died within it Filling a long empty gap within Civil War scholarship Thrasher s fresh approach to the Port Hudson campaign

will be of interest to Civil War scholars students of Louisiana history and younger learners who are interested in the voices of American history

"Digging All Night and Fighting All Day" Paul Brueske, 2024-08-07 The bloody two week siege of Spanish Fort Alabama March 26 April 8 1865 was one of the final battles of the Civil War Despite its importance and fascinating history surprisingly little has been written about it Many considered the fort as the key to holding the important seaport of Mobile which surrendered to Maj Gen Edward R S Canby on April 12 1865 Paul Brueske's *Digging All Night and Fighting All Day: The Civil War Siege of Spanish Fort and the Mobile Campaign 1865* is the first full length study of this subject General U S Grant had long set his eyes on capturing Mobile Its fall would eliminate the vital logistical center and put one of the final nails in the coffin of the Confederacy On January 18 1865 Grant ordered General Canby to move against Mobile Montgomery and Selma and destroy anything useful to the enemy's war effort The reduction of Spanish Fort along with Fort Blakeley the primary obstacles to taking Mobile was a prerequisite to capturing the city After the devastating Tennessee battles of Franklin and Nashville in late 1864 many Federals believed Mobile's garrison which included a few battered brigades and most of the artillery units from the Army of Tennessee did not have much fight left and would evacuate the city rather than fight They did not Despite being outnumbered about 10 to 1 33 year old Brig Gen Randall Lee Gibson mounted a skillful and spirited defense that considerably astonished his Union opponents The siege and battle that unfolded on the rough and uneven bluffs of Mobile Bay's eastern shore fought mainly by veterans of the principal battles of the Western Theater witnessed every offensive and defensive art known to war Paul Brueske a graduate student of history at the University of South Alabama marshaled scores of primary source materials including letters diaries reports and newspaper accounts to produce an outstanding study of a little known but astonishingly important event rife with acts of heroism that rivaled any battle of the war It will proudly occupy a space on the bookshelf of any serious student of the war

The Atlanta Campaign David A. Powell, 2025-09-15 Details Sherman's grueling advance from the Etowah River to Kennesaw Mountain during the 1864 Atlanta Campaign The scope drama and importance of the 1864 Atlanta Campaign was on a par with Ulysses S Grant's Overland Campaign in Virginia Despite its criticality and massive array of primary source material the operations in North Georgia have lingered in the shadows Award winning author David A Powell's first of five installments *The Atlanta Campaign Volume 1: Dalton to Cassville May 1-19 1864* treated the opening phase of the campaign weeks of maneuver and several days of heavy fighting at Resaca after which the Confederates slipped out of Sherman's traps and escaped across the Oostanaula and Etowah rivers This second volume *From the Etowah River to Kennesaw Mountain May 20-June 27 1864* marches with the armies and their leaders deeper into Georgia The heavyweight match unfolding between U S Grant and Robert E Lee from the Wilderness to the trenches of Cold Harbor increased the pressure on Sherman to do everything he could to prevent Joe Johnston from sending troops to reinforce the Virginia army Sherman had closed half the distance to Johnston's base at Atlanta but the Army of Tennessee had grown in numbers and the odds that were once 2 to 1

in his favor were now nearly even Sherman opened the second phase of the campaign on May 23 by throwing his army across the Etowah Instead of moving down the railroad to Allatoona however he marched west of Marietta to Dallas The next five weeks were by some measures the hardest of the entire summer as maneuvering gave way to trench warfare first along the New Hope Line then Pine and Lost mountains along the Mud Creek Line and finally atop the imposing slopes of Kennesaw Mountain The daily grind punctuated by periodic assaults at New Hope Church Pickett s Mill Gilgal Church Pigeon Hill and Cheatham Hill took a terrible toll on both armies The heavy rain through most of June made life in the field a misery sick lists spiked and men and horses broke down or died Neither side could claim victory as June drew to a close Sherman remained undaunted He would return to flanking And this time Atlanta was a mere dozen miles distant This multivolume study is based heavily on hundreds of primary accounts many of which have never been used 21 original maps a firm understanding of the terrain and a keen grasp of military strategy and tactics Powell s *The Atlanta Campaign* is this generation s definitive treatment of one of the most important and fascinating confrontations of the entire Civil War And it will stand the test of time

Civil War Biographies from the Western Waters Myron J. Smith, Jr., 2015-02-20 From 1861 to 1865 the Civil War raged along the great rivers of the Ohio and Mississippi valleys While various Civil War biographies exist none have been devoted exclusively to participants in the Western river war as waged down the Mississippi to the mouth of the Red River and up the Ohio the Tennessee and the Cumberland Based on the Official Records county histories newspapers and internet sources this is the first work to profile personnel involved in the fighting on these great streams Included in this biographical encyclopedia are Union and Confederate naval officers down to the rank of mate enlisted sailors who won the Medal of Honor or otherwise distinguished themselves or who wrote accounts of life on the gunboats army officers and leaders who played a direct role in combat along Western waters political officials who influenced river operations civilian steamboat captains and pilots who participated in wartime logistics and civilian contractors directly involved including shipbuilders dam builders naval constructors and munitions experts Each of the biographies includes where known birth death and residence data unit organization or ship involvement in the river war pre and post war careers and source documentation Hundreds of individuals are given their first historic recognition *The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces* ,1873 **Methodist History** ,2005 Outlook Alfred Emanuel Smith, Francis Walton, 1874 *The New York Times Saturday Review of Books and Art* ,1968 New York Times Saturday Review of Books and Art ,1968
