Success Secrets Of Sherlock Holmes Life Lessons From The Master Detective:

Success Secrets of Sherlock Holmes David Acord,2011 Sir Arthur Conan Doyle funneled much of his real life genius and the brilliance of others around him into Sherlock Holmes creating a character greater than the sum of his parts In this quirky and intriguing look at the traits that made Sherlock Holmes successful David Acord explores how to unleash our own genius *Success Secrets of Sherlock Holmes* David Acord,2011-11-01 Sir Arthur Conan Doyle funneled much of his real life genius and the brilliance of others around him into Sherlock Holmes creating a character greater than the sum of his parts In this quirky and intriguing look at the traits that made Sherlock Holmes successful David Acord explores how to unleash our own genius Not only does Acord give unique insights into the character of Sherlock Holmes and his creator but you will also discover How to cultivate a passion for definite and exact knowledge that will help you achieve your goals faster than you thought possible Why focusing on the little things is one of the most overlooked keys to success The value to knowing what other people don't know Why you should step up and take credit with modesty The importance of admiring your enemy Why we should all have friends in low places *How Sherlock Pulled the Trick* Brian McCuskey,2021-06-01 A masterful combination of literary study and author biography *How Sherlock Pulled the Trick* guides us through the parallel careers of two inseparable men Sherlock Holmes and his creator Sir Arthur Conan Doyle Reconsidering Holmes in light of Doyle's well known belief in Victorian spiritualism Brian McCuskey argues that the so called scientific detective follows the same circular logic along the same trail of questionable evidence that led Doyle to the smoking room Holmes's first case *A Study in Scarlet* was published in 1887 when natural scientists and religious apologists were hotly debating their differences in the London press In this environment Doyle became convinced that spiritualism as a universal faith based on material evidence resolved the conflict between science and religion The character of Holmes with his infallible logic was Doyle's good faith solution to the cultural conflicts of his day Yet this solution has evolved into a new problem Sherlock Holmes now authorizes the pseudoscience that corrupts our public sphere defying logic revising history and promoting conspiracy theories As this book demonstrates wearing a deerstalker does not make you a mastermind more likely it marks you as a crackpot Fascinating and highly readable *How Sherlock Pulled the Trick* returns the iconic Holmes to his mystical origins

The Critical Reception of Sir Arthur Conan Doyle Laurence W. Mazzeno,2023 Examines both academic and popular assessments of Conan Doyle's work giving pride of place to the Holmes stories and their adaptations and also attending to the wide range of his published work Twenty first century readers television viewers and moviegoers know Arthur Conan Doyle as the creator of Sherlock Holmes the world's most recognizable fictional detective Holmes's enduring popularity has kept Conan Doyle in the public eye However Holmes has taken on a life of his own generating a steady stream of critical commentary while Conan Doyle's other works are slighted or ignored Yet the Holmes stories make up only a small portion of Conan Doyle's published work which includes mainstream and historical fiction history drama medical spiritualist and

political tracts and even essays on photography When Doyle published whatever the subject his contemporaries took note Yet outside of the fiction featuring Sherlock Holmes until recently relatively little has been done to analyze the reception Conan Doyle s work received during his lifetime and since his death This book examines both academic and popular assessments of Conan Doyle s work giving pride of place to the Holmes stories and their many adaptations for print visual and online media but attending to his other contributions to turn of the twentieth century culture as well The availability of periodicals and newspapers online makes it possible to develop an assessment of Conan Doyle s and Sherlock Holmes s reputation among a wider readership and viewership thus allowing for development of a broader and more accurate portrait of Doyle s place in literary and cultural history *Adventure* ,1920 **The Editor** ,1929 **An Annotated Bibliography and Reference List of Musical Fiction** Kellie D.
