**commentary on the New Testament. The Gospel and Acts** Israel P. Warren,1872 Couples in the Bible Jim Schnorrenberg,2014-10-29 Read and apply this book and build a strong marriage Real stories Real couples We see it allsuccess heartbreak evil flaws love There is no shortage of good marriage books Most are topical studies of marital issues and how to resolve them They are great resources This book goes right to the core of a biblical marriage It is less of mans opinions and more on what God said about marriage The Bible gives us short accounts of couples but not a complete account of any one couple It supplies us with rich stories and insights of how they lived and loved We know these people In many ways their lives are our lives They are real people who fell in love raised a family argued and grew old together well some of them did God pulls back the curtain and we see these couples warts and all There is no sugar coating no spin job We see people and couples in their best behavior and worst behavior However this is helpful to us as we can learn from both the

good and the bad and even the downright evil Enjoy this book Apply the biblical truths I pray that this book may be the catalyst to save or strengthen your marriage May you enjoy a lifetime of love    **The Sunday-school World** ,1883    The Western Christian Advocate ,1897    *A Dictionary of the Bible: A-Feasts* James Hastings,1901
